**SWIM BACKERS.** SWIM, a citizens' committee formed to promote the passage of the Granite City Park District bond issue to finance a new swimming pool, is headed by Jim Donahue, left, secretary-treasurer of the group, and Gary Grandidier, chairman of the committee. The two were selected at a public meeting Thursday night. They and park district representatives will be speaking to various clubs and organizations prior to the Nov. 6 election, promoting the new swimming pool and urging voters to pass the bond issue. Gary Grandidier was selected as chairman of the Granite City SWIM committee at a sparsely attended public meeting Thursday night. The meeting was called by members of the Granite City Park District Board to form a citizens' committee to promote passage of the Nov. 6 park district bond issue.

"The \$12 million bond issue is necessary for financing of a new swimming pool in Wilson Park."

IT WAS determined by the Board of Park Commissioners earlier this year that the issue be put on the November ballot after a series of public hearings and two public opinion polls were conducted which showed a three to one majority in favor of a new pool for the park

district.

Grandidier is a former director of recreation for the local park district, serving from June 1977 to April 1979, while Harold Brown was the director of parks and recreation. Selected as secretary-treasurer of the committee was Jim Donahue.

The citizens' committee is necessary to promote the passage of the bond issue, since no park district money can be used for this purpose. Private donations are now being solicited to pay for brochures, advertising and other related costs.

PARK BOARD President George Sykes addressed the 10 persons who attended the public meeting at the Harold Brown Recreation Center and he told the group that the park board recognized the park district residents' right to vote on the issue.

He said that this right was most recently protected by the petitions which forced the \$6.6 million bond issue of the Granite City School Board to be placed on the Nov. 6 ballot.

"We could have raised the \$12 million by raising the park district taxes without any input from the taxpayers in the district, but we said we have an obligation to put this on the ballot," Sykes said.

He said that the park district bond issue is "not on the ballot to compete with or harm the school district bond issue," stressing that the two issues "have to be dealt with separately."

THE NEW swimming pool is "not as critical as the school bond issue," Sykes said. "Our park district is not

## Woman thrown from cycle dies

A Granite City woman suffered fatal injuries at 12:47 a.m. Saturday when thrown from a southbound motorcycle into the opposite lanes and struck by a car on Route 159 at Fairlane Drive, Maryville.

Mrs. Kathleen E. (Sampson) Glenn, 35, of Holiday Mobile Home Park, the mother of three children, was pronounced dead on arrival at Oliver C. Anderson Hospital, Maryville, at 2:05 a.m. Saturday, Oct. 6, 1984.

MARYVILLE police, who responded to the accident, reported Mrs. Glenn was a passenger on motorcycle operated by her husband, Edward J. Glenn of Granite City, who was traveling in the southbound lanes of Route 159 when it apparently struck the median strip and overturned.

Mrs. Glenn was thrown from the

machine into the northbound lanes of Route 159, where she was struck by an auto operated by a 20-year-old Staunton man, a police spokesman advised. No charges were filed against the driver of the car.

Maryville Rescue and Ambulance Service came to the scene and attempted to aid Mrs. Glenn. Her husband also was thrown from the cycle, but escaped serious injury, police noted.

GLENN AGREED to take a breathalyzer test and was charged with driving under the influence of alcohol. He was released upon posting a cash bond.

Maryville police are continuing to investigate circumstances of the accident, a department spokesman said Sunday.

An obituary notice may be found elsewhere in today's issue.

## Cost of Clinton is hiked \$290 million

Illinois Power Company has announced a revised estimate of construction costs for the Clinton nuclear power plant, which represents a \$290 million increase over the estimate filed in May 1983.

The major factor in the increase, according to power company officials, is the impact of government regulations instituted since last year.

ACCORDING to Al Adams, supervisor of media relations for Illinois Power, the estimate increase will not affect utility users in the near future. "The direct effect of the increase is none, but eventually, the costs will be included in the user

fees," he said.

Adams said Illinois Power applied with the Illinois Commerce Commission last month for an increase in utility rates. But this increase does not reflect the total \$290 million construction increase.

The higher construction costs put the revised estimate for the \$950 megawatt plant at \$3.14 billion. Illinois Power Company's share of the estimate is \$2.6 billion.

ALTHOUGH THESE cost increases are typical of those being experienced by nuclear generating plants across the nation, the total

## National Intergroup plans merger with Bergen group

By GARY SCHNEIDER  
Press-Record Editor

With the reorganization of the administrative structure of National Steel Corp. (NSC) still underway, another abrupt and unexpected change took place late Thursday morning when it was announced that one of National Steel's parent companies, National Intergroup Inc. (NII) plans to merge with the Los Angeles (Calif.)-based Bergen Brunswig Corp.

If the merger is successful, a new corporation called Bergen National Corporation will assume the half ownership of National Steel now held by NII. The Japanese giant Nippon Kokan K.K. purchased the other half of National Steel effective Aug. 31.

"GOSH I love this job," was the only comment Dan Hines, public relations director at Granite City Steel could make immediately after the announcement, due to the unexpected new development and the fact his office has been extremely busy assisting the press in understanding the Nippon Kokan purchase and introducing the press and public officials to Kokan executives, who visited here last Tuesday.

The proposed Bergen Brunswig merger with NII was announced on an hour before the news was made public Thursday. Employees were informed of the merger in a letter from Howard M. "Pete" Love, who will continue as chairman and chief

executive officer of both NII and National Steel.

In the letter, Love said, "As stakeholders in the parent company, we should all benefit from the success of this new corporation." He added, "We at NII are positioning the parent company to move in a new and exciting direction with a new company, Bergen National, which will enhance the growth of an already

As was disclosed in Thursday's Press-Record, Howard M. "Pete" Love, chairman and chief executive officer of National Intergroup Inc. (NII), and Emil P. Holders of each share of NII preferred stock will be entitled to receive a share of a new issue of Bergen Brunswig preferred stock, having substantially the same terms as the NII preferred stock.

The transaction is approximately equivalent to a market value for market value exchange of shares.

Aggregate market value of Bergen Brunswig Class A Common stock to be used in the merger, based on a price of \$22.50 per share, is less than the book value of National Intergroup's common stock.

## New owner for Nameoki Village

A Belleville group has purchased Nameoki Village Shopping Center, with the exception of the Kroger Store, and plans to modernize, upgrade and improve the center.

One drawback is that the Granite City Branch Library at 6 Nameoki Village will close Oct. 26 after failing to reach a satisfactory rent agreement with the new owners.

A BONANZA restaurant has leased the current branch library's 2,800 square feet and the 1,320-square-foot Fabric Store and plans to begin remodeling for a modern restaurant there soon. The branch library offered other space, but according to Jim Stack, librarian, "The rent was a substantial increase with a quarterly assessment for upkeep and we decided it was not a viable option."

The branch library, which has been at that location since May 1978, has stopped loaning books, but will remain open until Friday, Oct. 26, for the return of books and

materials. After that date, materials may be returned to the main library, 2001 Delmar Ave.

The branch library is seeking a place to store its 15,000 books until a new facility can be located. There is insufficient room in the main library to keep all of the branch library's materials, Stack said. "We can't move back. We don't have the space," he said.

THE SHOPPING center has been purchased by Mail Land Trust of Belleville on behalf of "a silent partner who wishes to remain that way," according to Fred Christian of the land trust.

Christian pledges that improvements in the shopping center will begin in the near future. "We are going to do our best to turn it around, remodel and make it a real asset to Granite City. We are planning a

garden center behind Gasens, gardens will be planted, along with trees and shrubbery and other improvements. It's going to work," he predicted.

He said the parking lot is being studied for new traffic patterns, parking and possible landscaping.

THE CLOSING of the branch library rekindled thoughts of constructing a new permanent branch library building, but Stack says opposition to constructing a building on land the library currently owns at the end of Wabash Avenue has made the library board decide to try and trade or sell that lot and find a location more suitable to everyone.

However, the library is not able, financially, to construct a branch library building at this time, so, "In the meantime, we will have to rent," Stack noted.

## GC students test above average

A great deal of the news recently has focused on the financial plight of Granite City School District 9, overshadowing the fact that there has been a good deal of educating of students going on.

An example of how well the students in the district are doing was announced Friday. Granite City High School juniors and seniors who took the American College Test (ACT) last year had an average

composite score a full point above the state average and 1.2 points above the national average.

THE 317 students who took the ACT last year had an average composite score of 19.7, compared to the state average of 18.7 and the national average of 18.5, it was announced.

The composite score represents the average of the four testing categories, English, mathematics,

social studies and natural sciences.

In English, GC students scored an average of 18.8, compared to the state and national averages of 18.1.

In mathematics, the GC average was 19.3, well above the state average of 17.6 and national average of 17.3.

IN THE natural science category, GC students averaged 21.6, compared to the state average of 20.1 and national average of 19.7.

## Travelers 'visit' Lebanon, Syria

Travelers Abroad featured the Midwest at its first meeting of the fall season with 30 members and guests present. President Walter Klein introduced the officers, and a committee was appointed to secure a location for the group's Christmas party.

Miss Marguerite Barker, program chairman, announced programs for three months. In October, Marguerite Lexow will speak on India, Nepal and Thailand.

Walter and Dorothy Frohardt will present November's program on the British Isles. The Rev. Samuel Boda, Miss Dorothy Ruff, Mrs. Elina Hoover and one or two others in December will present their impressions of the Passion Play at Oberammergau, Germany, which they attended this past summer on different tours.

Miss Barker introduced Dr. Alice

Purdes, who presented the evening's narrative slide program on "The Mideast" in Turmoil—Pre-War Lebanon and Syria. Most of the scenes were taken before the 1975-76 civil war in that area.

The Middle East was defined as including northeastern Africa, southwestern Asia and southeastern Europe.

Lebanon is slightly smaller than the state of Connecticut. It is considered an Arab country, with Arabic as its official language. Beirut, the capital and largest city, was one of the most modern cities before wartime devastation.

The American University of Beirut, founded by U.S. Protestants in 1866, is the largest American university outside the U.S. Courses are taught in English and, when Dr. Purdes was touring the area, there were 4,500 students from 65 countries.

tries.

In the archaeological museum, built in 1922, the world's first alphabet—invented by the Phoenicians—can be found engraved on stones. There were 22 letters in this alphabet. Phoenician writing is on stones in this museum. It also has, from the Second Century, mosaic floor where the Dance of the Seven Veils took place.

In the national museum are two exhibits about 4,000 year old. One shows hair rollers and the other is the original "three little boys" who see no evil, hear no evil and speak no evil.

Byblos or Jbeil is considered to be the oldest town in the world, she said. Its site has been inhabited for at least 7,000 years. The Bronze Age began there about 3200 B.C. Between 3000 and 2000 B.C., it was one of the most important cities in the world; the alphabet was invented there.

Excavation since 1921 has produced finds from every century. Some are preserved there while others are exhibited in Beirut museums.

Until 1100 B.C., Byblos was the main port and shipbuilding center in ancient Phoenicia, its harbor being the oldest one ever known. The science of navigation began there, and the Phoenicians accidentally discovered the making of glass.

The Greeks used the name of the town to describe a roll of papyrus called a Byblos. Later, this Book of Books became known as the Bible, she related.

Cedars of Lebanon have been famous since Biblical times and usually grow high in the snow-covered Lebanon mountains. Today, the cedars are being conserved in several national parks, the group was told.

Pityrius miles northeast of Beirut is the ancient city of Baalbek, named in honor of Baal, a god of growth. The ruins of one of the oldest acropolises can be seen. Baalbek was once called Heliopolis, which meant the "city of the sun." It is 3,900 feet above sea level.

Only six columns of the temple erected in 60 A.D. to worship Baal remain standing. The Temple of Jupiter, completed in the Third Century, is being restored. It originally had 84 granite pillars, with the granite coming from Asswan in Upper Egypt. Construction work on these temples involved 150 million slaves.

During a day's trip to Damascus, Syria, many Bedouin camps were seen along the road as well as

heavily-laden camel caravans. A Lebanese driver must have special credentials in order to cross into Syria.

Damascus, the capital and largest city, was founded about 3000 B.C. Some areas still feature merchants' bazaars conducted in the same manner as those of long ago. But the main business district has tall buildings erected in this century.

Omayyad Mosque, 705 A.D., is famed for its Oriental mosaics and columns. Above the mosque is a tall steeple known as the "Jesus Minaret," where many believe Jesus will come to judge people.

There are seven gates to the City of Damascus, and many of the narrow streets are covered with a canvas top to keep out the desert sun.

"The Street Called Straight," is 1 1/2 miles long. When St. Paul entered Damascus on this street, his eyesight was restored.

Dr. Purdes also showed scenes of the church of St. Paul, where Paul was rescued and lowered over the wall in a basket.

### GC public hearing to discuss truck spillage

After a lengthy discussion concerning truck cargo spillage in Granite City, aldermen agreed to conduct a public hearing at 6 p.m. Tuesday, Oct. 16, to get public comment on the issue.

The hearing will determine if residents feel there is a major problem with trucks spilling their cargo on the streets and what the public feels should be done about the problem.

Suggestions from the council include requiring every truck (including pickup trucks) to have their cargo covered with a tarp. Another suggestion would only require trucks that are five-tons or heavier to cover their cargo. Still another suggestion would itemize a list of cargo for all trucks that would require coverage.

The council also is considering exempting city trucks from covering their cargo. Superintendent of Streets Mac Warfield, said he feels it would be unreasonable for his trucks to have to cover brush, cinders and ashes, since all of the items are hauled as a service to the city.

The hearing will be held at the Township Hall, 2060 Delmar Ave., before the regular council meeting.

## Unemployment drops below 12%

Unemployment in Granite City declined from 13.1 percent in July to 11.9 percent in the preliminary August figures released last week by the Bureau of Employment Security.

A reduction in the workforce (the total employed and unemployed) aided the drop in the unemployment rate, but the number of persons on unemployment decreased by 300 in the city from July to August, the figures show. The workforce dropped from 20,200 to 19,700 and the number actively employed dropped from 17,575 in July to 17,350 in August. That reduced the number on unemployment from 2,650 to 2,350.

In Madison, St. Clair, Monroe, Bond, Calhoun and Jersey Counties, the unemployment rate remained at 9.6 percent in August, the same as in July. According to Velda Gerstemecker, supervisor of the research and analysis division, "The rate of unemployment (in the seven-county region) was unchanged as short-term seasonal workers withdrew in conjunction with a moderate continuation of the downtrend in the number of idle workers."

All major cities in the region showed declines in unemployment during August from the previous month. Belleville remained the highest with 12.5 percent in August (down from 12.9 percent in July). Granite City followed at 11.9 percent, followed by East St. Louis at 11.4 percent (down from 11.5 percent) and Alton at 10.8 percent (an improvement from 11.2 percent).

The county with the highest unemployment in the county remained Calhoun County with 16.4 percent unemployment in August, up from 16.2 percent in July. It was followed by Jersey County with 11.9 percent, Bond County at 10.5 percent, Madison County at 9.7 percent, Clinton at 9.6 percent and Monroe and St. Clair counties with 9.5 percent unemployment each.

The seven county region is only one percent higher in unemployment than the state average of 8.6 percent in August, unchanged from July's final figures. Statewide, of a workforce of 3,558,000, a total of 477,000 are receiving unemployment benefits.

In Madison County, the workforce dropped from 131,050 persons in July to 129,325 in August and the number unemployed dropped from 12,825 to 12,525, the report shows.

## Veterans' groups seek property tax exemption

Quad-Cityans' and Illinoisans' election decisions Nov. 6 will include a "yes" or "no" blue ballot vote on amending Section 6 of Article IX of the Illinois Constitution.

The amendment would authorize state legislators to exempt from taxation property used exclusively for veterans' organizations and for patriotic purposes.

At present, the Constitution allows property tax exemptions only for state property, local government and school district property, real estate used exclusively for agricultural and horticultural societies, and property used only for school, religious, cemetery or charitable purposes.

The General Assembly also is currently allowed to adopt laws granting homestead exemptions or rent credits.

The new proposal would continue all existing exemptions and add veterans' groups and property used exclusively for patriotic purposes.

OPPONENTS of the change say tax rolls should not be narrowed, perhaps shifting more of the burden onto homes and businesses. They cite growing governmental deficits, rising school costs and increased reliance on local realty taxes.

They say social and fraternal groups later might seek exemption, that it is not fully clear which veterans' and patriotic facilities would be affected, particularly those of groups saying they are patriotic. They say veterans' organizations have fund sources, such as membership dues and private donations; and that some veterans' activities are not charitable, since they host social events for members plus wedding receptions and bingo games.

PROPOSERS say veterans' and patriotic groups are valuable assets to their towns and regions—that they regularly honor American war heroes, decorate veterans' support homes for veterans and

their children, and aid poor veterans and their families.

Sponsorships and contributions by such organizations are pointed out, along with their growing financial problems.

During the past five years, about half of the posts in Illinois have had to close, according to the General Assembly's official argument in favor of the amendment.

Backers add, "Many members of our country in time of war. They have established post homes and other facilities to continue their service to our country and community in time of peace. A 'yes' vote is a way of saying 'thank you' for their efforts."

### Six commended students named

Granite City High School has been notified that seven of its seniors have been designated as commended students in the 1985 Merit Scholar Program.

G. V. Wainsley, principal, announced that Laura R. Andrews, David D. Birkhead, Linda Dupont, Stephen P. Knogl, Michael A. Lewis, Stephen Kusmierczak and Robert P. Mateosian placed in the top five percent of more than one million participants in the 30th annual competition and will receive letters of commendation in honor of outstanding promise for future academic success.

"An officer of the National Merit Scholarship Corporation, which administers the program," said, "The exceptionally high test performance of young people who are named commended students is an extremely competitive merit program is deserving of recognition in their community."

"To acknowledge the attainments of academically talented students and to credit schools for the part they play in the development of these young people is an important national task of value excellence. We hope their accomplishments thus far will motivate these students to pursue higher education."

Participants entered the current merit program by taking the PSAT-NMSQT in the fall of 1983, when most of them were juniors. Although the qualifying test scores of the 35,000 commended students designated nationwide were very high, they were slightly below the level required for semifinalist standing in the competition for 5,500 merit scholarships to be awarded in 1985. The 15,000 semifinalist winners announced by NMSC on Sept. 13.

### ALCOHOL-RELATED CHARGE

Steven R. Wimbley, 19, of 2408 Illinois Ave., was charged with illegal transportation of alcohol and a passenger in his car, Rodney A. Talley, 19, of 2666 Madison Ave., was cited for illegal possession of alcohol after Wimbley's auto was stopped at West 23rd Street and Illinois Avenue last week. Both signed citations to appear in court Nov. 2.

### THE LAW AND YOU

BY RICK REED  
Attorney At Law

Let's assume that you are driving your automobile into an intersection and you are struck by another vehicle entering the intersection from another direction. Immediately upon impact, you experience pain in the back of your neck. Let us further assume that there is minimal damage to your automobile and that the other driver tries to persuade you not to call the police. What steps should you take to preserve your rights in this situation?

A driver involved in an accident should always call the police and insist that a police report be prepared. Illinois is a comparative negligence state, and if there is personal injury or property damage, money will later be awarded based on the comparative fault of the drivers. A police report could later be used to determine the degree of fault attributable to each driver. If the case later comes to Court without a police report, the jury will only have the testimony of the drivers themselves to determine who was at fault. It is usually best to give no more information at the accident scene than is required by law. Never comment on the cause of the accident or admit fault. No one can require you to give an opinion on the cause of the accident.

The next thing the accident victim should do

in this situation is seek immediate medical attention. Frequently, people injured in car wrecks do not consult with a physician for a substantial period of time even though they are hurting and need medical attention after the accident. This is a mistake for two reasons. First, they could be jeopardizing their physical well being by not seeking immediate medical attention. Secondly, a immediate medical attention. Secondly, a thorough examination after the accident serves to document their injuries and removes any doubt that the injuries actually arose from the accident.

An effort should be made at the accident scene to get the names and addresses of all persons who witnessed the accident. These witnesses could be a vital part of one's legal action later becomes necessary. It should be remembered that witnesses may be difficult to locate after the fact if their identity is not established at the time of the accident.

Finally, it is probably best to give no statements concerning the accident to the other driver's insurance company. Insurance companies frequently contact both drivers to get their version of the accident. A driver could be admitting partial liability without realizing it.

# News girl carries on family tradition

**By SUSANNE INDELICATO of the Press-Record**  
Brian, Dave, Bruce and Steve Breeden did it. Three years ago the youngest Breeden, 11-year-old Vicki, began doing it, and she says it's the people and the money that make it all worthwhile.

Vicki delivers approximately 150 copies of the Granite City Press-Record twice a week to Madison homes along Washington and Alton avenues, and on Iowa, Elizabeth and Seventh streets.

Since 1976, delivery of the Press-Record has provided an income to the Breeden children. In fact, last Christmas when Vicki, Bruce and Steve were delivering papers, they brought in more

the home computer through money from the route, Vicki has enrolled in computer school. Although her mother thought that Vicki would want to be a singer or soccer player when she grows up,

Vicki disagrees. "I'd like to work with computers," she quietly states. Vicki is just one of the boys and girls who provide regular home delivery of the Press-Record to

our customers. During National Newspaper Week this week, the Press-Record salutes all of our carriers who spread the news twice a week in any kind of weather.

**THE BEST TO YOUR DOOR.** Vicki Breeden is the fifth member of her family to deliver the Granite City Press-Record to area homes. She is one of approximately 150 newspaper carriers distributing the Press-Record to readers each Monday and Thursday. (Press-Record Photo by Patrick Foley)

than \$500 in tips from their patrons.

Ann Breeden, Vicki's mother, says that money has enabled Vicki to buy a 12-speed bicycle and the newspaper money also has afforded the family a personal home computer and a 25-inch color television.

Additional revenues, she adds, are being deposited in a credit union.

But it isn't just the money that brings Vicki out in all kinds of weather to insure that Press-Record subscribers receive their papers. "The people," she says, "are another nice aspect of the job, she notes.

"They are good people," her mother adds. "They give her something to drink. A lot of them go to our church. And the older people don't have company very much, so she stops and talks to them."

Vicki, who is in the sixth grade at St. Mary-St. Mark Catholic School, believes her delivery responsibilities don't interfere with school or other activities. "It keeps me in shape," she says for her participation on the Mendoza indoor soccer team.

Mrs. Breeden proudly interjects: "She keeps her homework up. She's an A student."

But delivering newspapers, like any other job, does have its bad moments. There's the dog, a doberman, that patrols the front yard of one customer. Although Vicki says she's never been bitten, one of her older brothers did suffer a minor deglute while delivering papers one day.

Vicki says she also must contend with the urgency some customers have about receiving their newspapers. Most days, Vicki doesn't get home from school until 3:30 p.m. and she's "lost some (customers) because they say I'm not early enough."

And then there's the people who don't want to pay for their newspapers, like the woman who paid some boys for the newspapers that Vicki delivered. Now she refuses to pay Vicki, and what the woman owes for the newspapers must now come out of Vicki's pocket.

Finally, Mrs. Breeden adds, Vicki does put up with some sexist attitudes because she is female. "They tease her and say boys are supposed to deliver papers."

So, depending on her obligations, such as homework, Vicki says she may have to give up her paper route this year.

But the newspaper route may have a long-lasting affect on Vicki. Since the family acquired

## GC woman charged with having cocaine

Sandra Duvall, 28, of Granite City has been charged with a felony count of unlawful possession of a controlled substance (cocaine). The charge was issued last week in an informational document from the state's attorney's office. It is alleged that a small amount of cocaine was found in her vehicle when Collinsville police arrested her last week.

She previously had been charged by Collinsville police with driving while intoxicated, unlawful use of weapons, defacing identification markings on a firearm, possession of 10 to 20 grams of marijuana, illegal transportation of alcohol, speeding (65 mph in a 35 mph zone) and improper lane usage.

## Bethel Chapel to hear Swiss evangelist

Swiss Evangelist Kurt "Mario" Haas will speak at Bethel Chapel Church, 25th Street and Ohio Avenue at 7:30 p.m. Wednesday, Oct. 10, the Rev. Clifton Galier announces. Chaplain Mario will share the ministry of "The Missing Link," an organization he founded to help link troubled youths and adults with life-changing programs.

He has ministered in Switzerland, Germany, Poland, Canada and the United States.

The guest speaker will also show a 30-minute full color film entitled, My World-My Choice that depicts a young man's life behind bars and dispels the myth that prison only happens to "the other guy."

Rev. Galier extends an invitation to area residents to attend the program.

## Gateway BPW to host candidates Oct. 15

Candidates for national, state and county office in the Nov. 6 general election have been invited to the Gateway Business and Professional Women's "Legislative Night" dinner meeting.

Debbie Saltich, legislative chairman, is in charge of the program and said several of the candidates have accepted invitations to attend.

The evening will begin with a cocktail hour with a cash bar at 6:30 p.m. and a family-style chicken dinner will be served at 7 p.m.

Cost of the dinner is \$10.50 per person, Miss Saltich said.

The public is being invited to attend and reservations will be accepted by calling Pearl Kennerly, at 931-5488 anytime, or Miss Saltich, at 314-241-0757 from 8:30 a.m. until 4:30 p.m. or at 451-7639 after 5 p.m.

A short presentation by a proponent of the Granite City school bond issue, also to appear on the Nov. 6 ballot, will be given during the dinner program.

Bergen Brunswig will change its name to Bergen National Corp. and will continue to be based in Los Angeles.

All operating subsidiaries and divisions of both companies will continue as separate entities, with no expected change in management, policies or headquarters locations.

Bergen National will consist of operations that will include pharmaceutical, medical, consumer electronics and metals distribution; steel and aluminum production; and financial services.

IT IS EXPECTED that substantially all of the uncommitted capital resources of the combined enterprise will be utilized to expand the distribution segments of its business.

This will enable National Intergrup to move toward its strategic objective to diversify operations into the distribution service industry. At the same time, it provides Bergen Brunswig with significant financial resources to continue its expansion into a more efficient, value-added distribution services company.

The definitive agreement has been approved by the boards of directors of both companies, but is subject to the approval of shareholders of both companies, the receipt of fairness opinions from investment bankers,

and the submission of filings to various regulatory agencies.

ALTHOUGH THE DATES of the shareholders meetings have not yet been set, both companies expect to conduct such meetings during January 1985, at a time and place to be stated in proxy material, which the parties expect to mail later this year.

The closing date will be dependent on the time necessary to satisfy all regulatory requirements.

Holders of Class B common stock, the majority of which is owned by Emil P. Martini Jr. and Robert E. Martini, will continue to elect the majority of the board of directors of Bergen National Corp.

Remaining directors will be elected by the holders of Class A common stock.

OFFICERS OF BERGEN NATIONAL Corp. will include Love as chairman, Emil P. Martini Jr. as president, and Robert E. Martini and James E. Hahn as executive vice-presidents.

Concurrently with the execution of this definitive agreement, National Intergrup has granted Bergen Brunswig a lock-up option to purchase two million shares of NII common stock at \$29 per share and the right to sell that option back to National Intergrup for cash.

Neither option may be exercised if the acquisition contemplated by the agreement is completed.

LOVE SAID, "National Intergrup has been looking for the perfect partner to move its mature company in a totally different direction."

"We believe the distribution field is that direction and Bergen Brunswig is that partner."

pared to the state and national averages of 21.0. Even the lowest

"Bergen Brunswig is a value-added distribution company, not capital-intensive, and not affected by imports."

"We are excited about the opportunity which this association will provide."

Love and Emil P. Martini stated that although NII has recently announced that its uncommitted resources have been targeted for expansion in other areas, we will continue to develop and strengthen the present segments of its business.

"NATIONAL INTERGRUP has undertaken recently to consolidate and streamline its operations, including the sale of 50 percent of its steel business to Nippon Kokan K.K. for approximately \$300 million."

Bergen Brunswig recently announced the acquisition of the Allen Co., a Florida-based distributor of pharmaceuticals, and the signing of a definitive agreement to acquire Synerge Corp., a California-based company primarily engaged in distribution of pharmaceuticals on the West Coast and the distribution of medical and surgical supplies in 11 western states.

These two acquisitions involve cash payments of about \$17 million.

FOR THE SIX MONTHS ended June 30, 1984, NII reported revenues of \$1.6 billion and net earnings of \$32.3 million available for common, or \$1.21 per share on 20.3 million shares outstanding.

Bergen Brunswig, for its fiscal year ended Aug. 31, 1984, reported net sales and other revenues of \$1.7 billion and earnings from continuing operations of \$23.4 million, or \$1.86 per share on 12.6 million shares outstanding.

scoring area for the Granite City students, a social studies test average of 18.4, exceeded both the state average of 17.5 and national average of 17.3.

Eighteen percent of the Granite City juniors and seniors taking the test scored in the top quartile of the total test scores between 26 and 36, compared to 15 percent statewide and 17 percent in the nation. Twenty-five percent of the GCHS students scored in the bottom quartile, scoring between one and 15, compared to 32 percent in the state and 29 percent in the nation.

Twenty-seven percent of the local students scored between 21 and 25 while 31 percent scored between 16 and 20 points.

going to collapse if we don't get the pool. We'll be around next year."

It was pointed out that financing the construction of a new pool is not within the means of normal operating expenses of the district.

Also noted was the fact that the park district board decided to put the pool bond issue on the ballot while petitions were still being signed to put the school bond issue before the voters. The board has received some criticism for competing with the school bond issue for the few tax dollars available in the community.

"BACK DURING the spring, we evaluated the need of a new pool," Sykes said. The board took into consideration the lifetime of the present pool. "We don't talk about years, we talk about weeks," Sykes said, referring to the continuing deterioration of the present facility.

"It cost us \$60,000 this year to operate the pool. \$40,000 of this was for repairs above the normal expenses," he said. "It's cost us well over \$150,000 during the past 10 years for abnormal repair costs."

Addressing the tax increase the park district is seeking through the bond issue, Sykes broke down the tax rates for homes of various assessed evaluations in the district.

"ACCORDING to the office of the Granite City tax assessor, the average assessed evaluation of homes in Granite City is \$16,000 (one-third of actual market value), Sykes said. "Allowing for the Senate Bill 1790 reduction, this places the assessment at an average of \$12,500. When the 11 cents-per-\$100 assessed evaluation is applied, this amounts to \$13.75 per year for the 10 years of the bond issue."

He broke this down further, stating that this is equal to just \$1.15 per month for the 10-year period.

FINED AFTER WOMAN BEATEN  
Circuit Judge George Moran Jr. fined Dewayne J. Meyers \$100 Thursday for battery. Meyers, 27, of 1836 Cleveland Blvd. had been booked at 4 a.m. that day for allegedly beating Martha Williams and pushing her off the front porch of her home at 2338 Grand Ave. She was bleeding from the head, nose and lip when police arrived.

## Pool referendum

(Continued from Page 1)

"Allowing for the Homestead exemption for senior citizens, this puts the cost at just \$11.55 per year," Sykes stressed.

"ON THE high end of the spectrum, the cost to a homeowner whose home is assessed at \$90,000 would only be \$33 per year for the 10-year term of the bond issue," he added.

"We have an opportunity to win in November if we can persuade the majority that this new pool will be a community asset and something we need to do. We have to do this for the community to stop its downward spiral."

"We've got to start putting spirit back in Granite City. No one is going

to come and move into Granite City until we start putting community spirit back into the city," Sykes stressed.

"WE HAVE to play down the ideas of, 'If I don't need it, then it's not needed,' and 'My kids don't swim there, so I don't need the pool.'"

"A lot of kids probably wouldn't swim if it wasn't for our pool, and where would they be if our parents had thought that way back in 1939, when they decided to build the present pool?" he asked.

"We backed off once," Sykes said, referring to the 1978 push for the ill-fated Wavetek pool idea, "but we're going head-on on this."

Q: Finally, my wife and I are going to sit down, get busy and get serious about formulating some sound financial planning. What are some of the items we need to concentrate on?

A: Many experts in the field agree on a general checklist for personal financial planning. At the top of the list is records. Gather all important financial and legal documents, then inform key family members of their location. Make sure each spouse knows what's there, as well as who is your banker, attorney, insurance broker, trust officer and other financial advisors. Next, compile information (cost, approximate purchase dates) concerning all owned assets. Include your home and any improvements on it. Next, prepare a budget. Review your insurance for adequacy for life, home and personal property. Finally, if any adult member of your family does not have a will, see your attorney as soon as possible. Review your existing will, especially if you have been divorced or widowed.

Born in Granite City, Mr. Walters resided here his entire life. He had been ill the past four years.

Mr. Walters owned and operated Bob's Flowers at different locations in Granite City, including Bellemore Village Shopping Center and the 2800 block of Madison Avenue, from when he opened his first shop on Feb. 10, 1934, until retiring.

He actually started in the florist business when 11 years old, delivering flowers on the back of his bicycle, family members said. Before establishing his own business in 1934, he was employed at various

## Everett White

Everett D. White, 44, of Troy, Ill., who resided most of his life in Granite City, was pronounced dead upon arrival at Barnes Hospital, St. Louis, at 9 a.m. Friday, Oct. 5, 1984.

Mr. White was found in the parking area at the U.S. Army Troop Support Command Center in St. Louis, where he was employed. Cardiopulmonary resuscitation efforts were made prior to his transfer to the hospital.

An electrical engineer and a civil service employee, Mr. White had been at the Army's Troop Support Command in St. Louis the past two years. Previously, he was with the U.S. Army Corps of Engineers and spent two years in Saudi Arabia.

Mr. White was born in Granite City and graduated from Granite City High School and from a university in St. Louis with a degree in electrical engineering.

He was a member of Masonic Triple Lodge 835 of Granite City. He was of the Baptist faith.

His mother, Mrs. Pauline White, and a sister, Mrs. Betty Ann Brecken, both died in 1971.

Among the survivors are four children, Kara and Gregory White, both of Orlando, Fla., and Christopher and Matthew White, both of Glen Carbon, Ill.; father, Everett A. White of Edwardsville; and a sister, Mrs. Mike (Connie) Miller of Charlotte, N.C.

Services were at 10 a.m. today, Oct. 8, at Mercer Mortuary, 1416 Niedringhaus Ave., with the Rev. Robert Jones officiating. His remains then were taken to Spencer Funeral Home in Salem, Mo., for visitation after 4 p.m. today and services at 1 p.m. Tuesday, Oct. 9. Burial will be in Northlawn Memorial Park in Salem, Mo.

## Funeral for father of Loretta Cardwell

Louis L. Johnson, 87, of 204 Fourth Ave., Edwardsville, father of a Granite City resident, died at 6:27 p.m. Thursday, Oct. 4, 1984, at Oliver C. Anderson Hospital in Maryville.

Born in Highland, Ill., he lived in Edwardsville for 37 years. Mr. Johnson was a retired farmer and also worked for Home Nursery and the Edwardsville School District 7.

His wife, Mrs. Ida W. (Bast) Johnson, died June 14, 1965.

Survivors include three daughters, Mrs. Anthony (Loretta) Cardwell of Granite City, Mrs. George (LaVerne) Rae, Edwardsville, and Mrs. Thomas (Lorene) Baker of Mount Olive; three sons, Carl W. Leonard L. and Delmar L. Johnson, all of Edwardsville; three brothers, Arthur Johnson, Edwardsville, Ted and Hubert Johnson of Edwardsville, and Elmer (Lillian) Woodcock, Valmeyer, Ill.; 18 grandchildren and 20 great-grandchildren.

The Rev. Vernon Wasson conducted funeral services at 11 a.m. today, Oct. 8, at Weber Funeral Home, 304 N. Main St., Edwardsville. Burial was in Valley View Cemetery, Edwardsville.

florist shops in the area as a deliveryman and flower designer. Mr. Walters was an avid bowler and sponsored many bowling teams over the years. He was a member of the First United Presbyterian Church and Elks Lodge 1063. He was a former trustee of both his church and the Elks lodge and also was a former member of the Granite City Rotary Club.

Mr. Walters and his wife, the former Helen Bostwick, were married June 12, 1934, in Granite City. Mrs. Walters is surviving.

Also surviving are two daughters, Mrs. Phil (Mary) deBurr of Downers Grove, Ill., and Susan Walters of Edwardsville; one brother, Gerald Walters of Granite City; a sister, Mrs. Bernice Grzesk of Granite City, and four grandchildren.

Visitation begins at 5 p.m. today at Mercer Mortuary, 1416 Niedringhaus Ave., where services will be conducted at 1 p.m. Tuesday, Oct. 9, by the Rev. Richard Hunt. Burial will be in Sunset Hill Cemetery, Edwardsville Township.

## Cost of Clinton

(Continued from Page 1)

cost of the Clinton Plant (\$3.34 per kilowatt hour) is below that average cost of comparable nuclear construction projects in the nation (\$3.785 per kilowatt hour).

When the Clinton plant is completed its production cost per kilowatt hour of electricity will be the lowest in the Illinois Power Company system. The average cost per megawatt hour will be \$14.10, as compared with Illinois Power's current average of \$18.93 per megawatt hour. It also should be noted that the average cost per megawatt hour for all Illinois utilities is \$22.55, Adams said.

According to Adams, the low production cost will be due to the efficient production of electricity achieved by the nuclear plant.

ADAMS SAID most of the power-generating facilities owned by Illinois Power are coal-fired plants that are approaching their plant life of 30 years. He said despite higher construction costs, studies have proven a nuclear facility's average cost is more efficient than other plants, when figuring in the low operating costs.

The construction schedule remains unchanged, with fuel loading set for January 1986.

## National merger

(Continued from Page 1)

national competition and materials substitution. We have committed ourselves to you and to our partners, to support your quest to become a world class producer of quality steel. We are providing you the tools needed to meet that goal," Love said.

"We are all aware of the restructuring and downsizing of basic industry in the United States. However, opportunities will continue to exist for well-structured, NSC. Realizing this several years ago, we began the restructuring of our steel company and the legal reorganization of NII," Love explained.

If approved by the stockholders of both companies, the merger will create a company with interests in health-products distribution, financial services, aluminum and steel. Bergen National Corp. will be based in Los Angeles and will serve as a holding company for the two existing operations. Combined sales are estimated at about \$3 billion a year.

ACCORDING to the Wall Street Journal, Love eyed the Bergen firm because it has shown strong growth in recent years and its sales to about 6,000 drugstores across the nation have tripled during the past five years, from \$432 million in 1978 to \$1.7 billion last year.

The new company is expected to start strong, since the National Intergroup has about \$300 million in cash and a lean balance sheet after the Nippon Kokan purchase of half of National Steel. NII and Bergen Brunswick have tentatively agreed to use all available cash for use in the health products distribution field.

The stock trade proposed with the merger is designed not to substantially dilute the available cash or the nearly \$300 million in federal tax-loss carry-forwards NII has, which can shelter profit of the new company for as long as five years, according to the Wall Street Journal.

Additional details of the merger with Bergen Brunswick appear in a related story in today's Press-Record.

## Numerous tires slashed in Granite City and Pontoon

Vandals damaged numerous vehicles and tires in the Quad-City area during the weekend.

At least 23 vehicles in the vicinity of Edgewood, Franklin and O'Hare avenues were damaged by vandals, who went on a malicious spree around midnight Saturday.

Also, numerous residents of the Gaslight Walk Apartments in Pon-

toon Beach awoke this morning to find tires punctured with an ice pick. Reports were still being filed at press time, but an officer on the scene estimated that as many as 30 autos may have had tires slashed, some cars losing three and four tires.

Granite City officers first went to the 3200 block of Edgewood Avenue at 12:45 a.m. Sunday, after learning that two youths apparently were cutting tires and had fled south on Edgewood. The youths were not located at that time, but an investigation is continuing.

At the home of Gerald McConnell, 3235 Edgewood Ave., however, it was discovered the sidewalls of two tires on a 1971 Mercedes had been cut with a sharp, flat-sided object. In looking around the area, the officers found flattened tires on a number of vehicles and, upon closer examination, saw that a similar instrument had been used to inflict the same type of damage as on the McConnell car.

Two tires were punctured on a 1961 car outside the home of John Heinrich, 3258 Franklin Ave., and two tires on an exterior mirror were damaged on a 1965 vehicle belonging to Kenneth Janish of Naperville, Ill., which was parked at the same address.

Other vehicles damaged were at the homes of: Kevin Hoebecke, 3270 Franklin Ave., four tires on a 1984 car in the driveway; Alex Hesse, 3279 Franklin, one tire on a 1982 van.

Marilyn Chrismer and Beverly Chrismer, 2305 O'Hare Ave., two tires slashed on a 1976 car and a 1976 foreign car; Thomas Walsh, 2320 O'Hare Ave., one tire cut on a 1973 motor home; Jeffrey Hillman, 2324 Kovach, two tires on a vehicle; Ruth Walk, 3805 Village Lane, two tires slashed on a vehicle parked at 2324 O'Hare Ave.

James Schwager, 2329 O'Hare Ave., two tires on a 1976 van; Lawrence Williams, 2304 O'Hare Ave., two tires on a 1965 car; Clifford Robertson, 2326 O'Hare Ave., two tires on each of two cars.

Michael Grizzard, 2323 Edgewood Ave., two tires on a 1972 Monte Carlo; Jeremiah Duncan, 3246 Franklin, a tire on his 1983 auto, and two tires on a 1984 car parked at 25 Devon Hill Lane.

Larry Welle, 2323 Edgewood Ave., reported at 1 p.m. Sunday that an exterior mirror was broken on his 1975 auto. Reports of tires being punctured were also made Sunday by Harold Hill, 2312 O'Hare Ave.; Ronald Ray, 3340 O'Hare Ave.; Cathy Deane, 2409 O'Hare Ave.; two tires on her 1984 auto and Lillian Goble, 2409 O'Hare Ave., one tire cut.

Ann Reeves, 2601 E. 25th St., reported at 11 a.m. Sunday that a window was broken on her 1971 Cutlass.

A list of victims in the Gaslight Walk area was still being compiled this morning by Pontoon Beach officers.

## Man sought in Decker murder

Clarence H. Decker, 67, owner of the Lewis and Clark Restaurant on Illinois Route Three, was slain brutally shortly before 10 p.m. Thursday in his East Alton home. He was one of those active in establishing the Lewis and Clark State Park in the Mitchell area, site of the start of the explorers' historic expedition.

Police are seeking to identify a man aged 18-25, weighing 180 pounds, 5-8 in height, with light hair, seen running from the home and down a nearby hill.

It was apparent that Mr. Decker had struggled with his assailant, who inflicted multiple slash wounds to the throat. No weapon was found.

A past district Lions governor and member of the Lions International board, Mr. Decker was active in the Madison County Republican Party and catered many political dinners.

He was a vice-president of the foundation formed to develop and maintain the state park on the bank of the Mississippi River, near its confluence with the Missouri River.

He was found in the dining room of his residence by a friend who stopped to visit. She found the front door open, heard noise inside, and saw the suspect run out the back door.

Participating in the investigation are East Alton police, the Illinois Division of Criminal Investigation, Madison County Coroner Dallas Burke and the St. Louis Metropolitan Major Case Squad.

Mr. Decker was divorced twice and lived alone. Survivors include his son and his sister.

Services were set for 11 a.m. today at a Wood River funeral home, with burial at Rose Lawn Memory Gardens in Bethalto.

TRUCK TIRE CUT

The left front tire was cut on an International Loadstar rental truck from Roway Leasing, St. Louis, while the vehicle was parked at 18th Street and Delmar Avenue, it was reported at 2:25 a.m. Monday by D.A. Allen of Cahokia, the driver.

ENTER PRATHER SCHOOL

Burglars broke a window and got inside Prather School, 2500 W. 25th St., but had fled when an officer and the school employee searched the building at 6:55 p.m. Sunday. The intruders opened several cans of soft drinks, threw papers on the floor and also threw soft drinks and papers outside the window, it was noted.

Births recorded at St. Elizabeth Medical Center include:

GIRLS

Mr. and Mrs. Charles Danford, 2224 Grand Ave., Oct. 4, Crystal Dawn, 7 pounds, 2 ounces.

Mr. and Mrs. Dreg Gibson, 2207 Grand Ave., Oct. 6, Jessica Marie, 8 pounds.

BOYS

Mr. and Mrs. Edgar Floyd, Belleville, Oct. 6, Edgar Neely Jr., 8 pounds, 8 ounces.

# Houston, Luffman, Wiser, Marshall Honored Gaudreault is Press-Record Athlete-of-the-Month

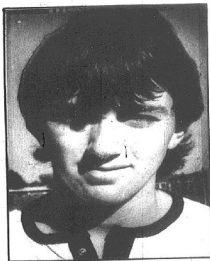

**SPORTS EDITOR'S NOTE:** Beginning this month, the Press-Record will resurrect one of its more popular columns, naming a Press-Record Athlete-of-the-Month. Each month during the school year, the Press-Record sports staff will select one athlete who rose above the rest. The selection is for the month passed, in this case September. Each month, we will announce the Athlete-of-the-Month in the first week of the following month - September's Athlete of the month was Gaudreault. Along with that honored athlete, we will name four additional athletes who excelled in their respective sports and showed true sportsmanship in the process. Our first pick, Dennis Gaudreault, has been unanimously selected by the sports staff. It was Gaudreault's excellence on the Warrior soccer field which garnered him our award.

Selecting one athlete over the rest is always a difficult task, and supporting Gaudreault are four equally-deserving youths who have been honorably mentioned.

We congratulate all of them.

**By JOE THOMPSON**  
of the Press-Record  
**GRANITE CITY** - Dennis Gaudreault, a member of the Granite City High Warrior soccer team, has been selected as the Press-Record "Athlete of the Month" for September.

Four other area athletes are also honored for their accomplishments during the month. Selected to an Honorable Mention list are Mike Houston of the soccer Warriors; Lora Wiser of the cross-country Warriors; Darnell Marshall of the Madison football team, and Chris Luffman of the Warrior football squad.

Gaudreault

For the 16-year-old Gaudreault, a junior, September was both good and bad. He was the Warriors' leading scorer with seven goals before suffering a season-ending leg injury. Dennis, the son of Mr. and Mrs. Edward Gaudreault of Granite City, does not consider himself an athlete. He has, however, been thinking a lot about what he will miss this year. Amidst all the get well signatures from friends and neighbors on his cast is etched a soccer ball. Dennis drew it.

"Just goofing around, passing the time," he says.

There was also a dream. "While I

was in the hospital," says Dennis, "I dreamed I was kicking soccer balls. That was weird. I woke up and I had pains in my leg. I guess I was trying to move it. That was something."

Asked if he kicked any goals during his dream, Dennis smiled. "I didn't dream that," he said. "I do remember what they were. I just woke up and remembered I had a dream about kicking soccer balls. Dreams or no dreams, the Warriors will miss his scoring punch."

"Dennis was having a nice season," said Warrior coach Gene Baker.

"The big thing for Dennis," says Baker, "is to be optimistic. Be patient."

Dennis plans to do that. "I'll just try to keep the grades up, hit the books hard. I'm going to stay with the team, go to their games and practices, stay behind them."

After all, there is next year. And the years after. Dennis has other dreams, not the kind you get when you're sleeping.

"I've always dreamed of being a professional soccer player," he says.

The age 16 has not been kind to the Gaudreault family. Dennis' father, Edward, and a sister, Teresa, also broke their legs when they were 16.

For Dennis and his Warrior teammates, next Feb. 8 seemingly will usher in better days and certainly better luck. That's the day Dennis turns 17.

**Houston** (soccer Warriors) - As captain and stopper back for the Warrior kickers, Houston has been given a lion share of responsibility by Warrior coach Gene Baker. A senior, Houston has more than filled the bill.

Says Baker, "For lack of a better word, Mike is a work horse. His

work rate is extremely high in games. He's a leader on and off the field. We regard him as a quality athlete, a student and a human being. He really has a lot of things going for him."

He always gives a strong effort," says Baker. "You can always count on him playing hard. He was selected as an All-Star player during the tournament. It was very well deserved."

**Luffman** (Warrior football player) - The presence of the 6-2, 265-pound Luffman, a senior tackle, has helped smooth out some of the rough spots for the Warrior football team this season. Says Warrior coach Ron Yates, "Chris is a definite leader. He is one of our tri-captains. He displayed leadership qualities during the strike. That was quite a responsibility. Chris helped keep the boys together."

"He had a real fine offensive ball game against Collinsville. He had a good defensive game against Edwardsville," says Yates, of Luffman's play on the field. "He's more steady than flashy. He's a steady, consistent type of ballplayer."

**Marshall** (Madison football player) - The 5-9, 150-pound Marshall, a junior, is the Trojans' starting tailback. Says Trojan coach

Don Smith, "Darnell is probably our quickest back. He has real good balance and speed. His longest run from scrimmage was 68 yards. That was against Columbia."

Marshall also launched a 40-yard touchdown pass last week and scored another touchdown on a one-yard run. "His biggest test will be against Dupu this Friday," says Smith. "That will be a big game for him... We have big hopes for him this year, plus we'll have him back next year."

**Wiser** (Warrior cross-country) - A junior, Lora not only is the leading runner for the cross-country Warriors, but, in the words of her coach, Dave McClain, "one of the premier runners in downstate Illinois... I personally think she's the best in the area. She's blue-chip caliber in cross-country."

Indeed, Lora finished second among 102 runners at a tournament in Springfield last week. She holds the Jacksonville, Ill. course record with a time of 11:14, a mark she set last year.

She's a valued member of the Warrior squad. "Without her, you don't win tournaments," says McClain.

### GCHS Finishes Second Rosary shuts out Warriors for tourney title

By JOE THOMPSON  
of the Press-Record

**GRANITE CITY** - It was the talent of the Rosary High Rebels versus the grit of the Granite City High Warriors in the title match Saturday night of the week-long Pepsi-Cola Tournament of Champions held at the Gauntlet.

Talent won out. The Rebels, featuring a speedy, quick-silver cast, more prominently displayed by the likes of forwards Steve Kickham and Tim Strange, defeated the Cinderella Warriors, 2-0.

In winning the Champion's Tournament, the Rebels upped their season mark to 11-2, and more than likely gained an even bigger chunk of respect from soccer folks in the St. Louis Metro area, which will translate into a significant change in the rankings.

**NOTHING** was sacred during the Champion's Tournament - particularly the status of the area's top-ranked teams.

CBC had held the top spot, but was defeated in the quarterfinals of the tournament by St. Louis U. High's Junior Billikens.

The Junior Billikens, in turn, were upended by the Warriors Friday in the semifinal match, 2-1 in penalty kicks.

In earning the right to play the Warriors for the championship, Rosary ousted St. Mary's, Vianney and DeSmet.

"We knew it would win this tournament, it would be saying something," first-year Rosary coach John Mohrmann said. "There is just a great collection of quality teams in this tournament."

"In the state tournament, you might not have four games this tough," said Mohrmann.

**WHILE** Rebel players chanted "toga, toga" (a descriptive term for a party they were invited to, one player explained), Mohrmann bowed to a more somber group of athletes on the other side of the mid-field stripe.

The Warriors had given it their all. Indeed, their grit was true.

"We had our opportunities," Warrior coach Gene Baker said. "We didn't do a bad job."

"We beat some good teams," said Baker. "I'm very proud of these kids. I feel this is the best tournament. I'm sure other people would affirm that. That says a lot about

this school and community."

"THEY played with a lot of heart," said Mohrmann of the Warriors. "At times, we had total control of the game. But they never let up. They were always there. We couldn't put them out of reach."

The Warriors' two best chances came early in the first and third quarters. One opportunity was created by Matt MacLaughlin, who broke in on the Rosary goal minutes into the match. However, MacLaughlin was unable to get a full shot off.

Frank Soellner also had a good scoring chance moments into the second half, but his shot, following a pass from Todd Adamitis, was successfully handled by Rosary keeper Kevin Donnelly.

**DONNELLY** was called on to handle just five opportunities during the match - unlike his counterpart Job Blasingame.

Blasingame was credited with 10 saves, the majority of them sprawling stops.

Strange and Kickham forced several breakaways for the Rebels, who ousted the Warriors' 10-10.

Paul Davidson solved the Warrior defense early into the second quarter, scoring on a cross from Steve Socker. Strange made it 2-0 late in the third quarter, drilling in a shot point from point blank range.

While the Rebels planned to attend a toga party as part of their celebration Saturday, the Warriors treated themselves to pizza after their huge 2-1 overtime triumph over the Junior Billikens Friday.

**WHAT** a victory. As Warrior captain Mike Houston pointed out, "They (St. Louis U.) just beat us. No. 1 ranked team in the St. Louis area."

That they did. St. Louis U. High ousted top-ranked CBC the previous night, and looked as if they might make good on the Warriors' prediction, scoring midway in the first quarter.

The Warriors, however, tied the match with just 1:38 left in the second quarter on a corner kick from Jim Chomko.

When neither team could score in

**JOYOUS WINNERS.** Members of Granite City High School's soccer team swarm over Warrior goalie Job Blasingame following Friday night's 2-1 victory over St. Louis University High in semifinal action in the fourth annual Tournament of Champions.

the remainder of regulation, and two five-minute overtime periods, the outcome was determined by penalty kicks.

**SCOTT** Biason, Houston, Dave Baggett and Scott Grote all made good on their penalty kicks. The Junior Billikens, however, were successful on only three of their five attempts against Blasingame and back-up keeper Perry Dutko.

"I love it... it's like a dream," said Blasingame, about facing penalty kicks. "It's where you get to shine."

The Warriors shined, though Rosary took away some of the lustre the following night.

Said Houston, "I think we came a lot farther than anybody expected us to."

**Houston** and Blasingame were among 16 players named to the tournament's All-Star team. Also named to the squad was Baker's son, Gene, who attends McCluer North.

Others named to the team were John Johnson and Shawn Sprung, CBC; Joe Ducker and John Gutgion, St. Louis U.; Dan O'Donnell, Chamblaine; Tim Collier, Hazelwood West; Larry Julius, St. Mary's; Keith Knopf, DeSmet; Marty Mattingly, Vianney; Kenny Takano, Parkway North; Mike Simon, Hazelwood Central; Strange and Kickham, Rosary.

In the consolation bracket, Hazelwood Central defeated Parkway North, 2-1 for the consolation title Saturday and Hazelwood West tripped up Oakville, 2-1 for third place.

## Trojans pick up first win; IHSA rules against Pioneers

By JAMES BLASINGAME  
of the Press-Record

**MADISON** - The dry spell is over for Madison's football Trojans, as they picked up their first victory of the season Saturday by clipping Breese Central 20-12.

As Madison coach Don Smith admitted afterward, the contest wasn't one that you'd call picturesque, but it put a "1" in the Trojans' win column.

That "1" quickly became a "2" as the Trojans not only picked up their first win of the season this weekend against Breese, but they also, with a little help from the Illinois High School Association, got their second.

**THE IHSA** announced its decision Friday on East St. Louis Assumption's eligibility in its first three games. The result was a three-game forfeit for the Pioneers. The Pioneers apparently used an ineligible player in its first three games, one of which was the Saturday, Sept. 15, 33-0 victory over Madison.

Because of the change, the Trojans who were 0-4 going into Saturday's game, are now 2-3.

"It wasn't the best game I've ever seen," said Smith of Saturday's win over Breese, "but it's a win."

"The win was nice and getting the forfeit was an added boost, but we've still got a long way to go," Smith said. "Our offensive line needs work, but our defense kept us in the game. We made too many mistakes today."

**FOR THAT** matter, both squads made too many mistakes, but the most visible errors occurred when the teams faced fourth down punting situations.

After a scoreless first half, Breese Central took possession at their own 32 yard line with 6:33 left in the third quarter.

On fourth and long, the Cougars lined up in punt formation. The long snap sailed over the punter's head, and Madison recovered at Breese's nine yard line.

Madison's Darin Walker bounced in from the two yard line to give the Trojans their first touchdown and a six point lead. Then quarterback Nathan Young bootlegged his way around the right end for a two-point conversion and a 8-0 Madison lead.

**FOLLOWING** a stalled Cougar offense, the Trojan defense forced another punt, and Madison took over at its own 45.

On first down Young's pass was in-

tercepted and returned 48 yards by Cougar linebacker Kert Gerner for a touchdown.

Madison's defensive front stopped halfback Joe Fowler on the two point conversion attempt, preserving the Trojan lead 8-0.

After receiving Breese's kickoff, the Madison offense stalled. On fourth and 18 from their 12, the Trojans were forced to line up in the dreaded punt formation.

This time Madison punter Steve Petrosky mishandled the snap and was tackled at the Trojan three-yard line.

**FROM** there Fowler plunged into the endzone for a 12-8 Cougar lead, and again the Cougars' attempt at a conversion failed.

With 9:13 remaining in the game, Madison's Jeff Bridick recovered a fumble in the Cougar backfield to give the Trojans possession at their 46.

Carries by Madison runningbacks Darnell Marshall, Reggie Young and Walker moved the ball down to the Breese 10 yard line.

An offside penalty gave the Trojans a first and goal from the five.

**RUNNIN' ROGERS.** Edwardsville's Jodie Rogers was one tough person to contain as Warrior defensive end Steve Davis (88) found out, Rogers and the Tigers' Spiller brothers, gave the Warriors all they could handle as Edwardsville went on to win Friday's non-conference football game 25-13. Rogers, incidentally, was credited with a 76-yard kickoff return, a big play which dealt the Warriors a crushing blow.

## In Collinsville Spikers third in tournament

By PAULA WISE of the Press-Record  
COLLINSVILLE — When the Granite City High School girls' volleyball team entered the Collinsville Invitational Tournament this weekend they knew they would have a tough time coming away with a victory. Since two of the teams were recognized as possible state contenders, the Warriors were hoping for at least a victory over Collinsville, the host team.

In their third match of the tournament the Warriors did just that with a 15-7, 15-8 win over the Lady Kahoks.

AFTER suffering defeats in their morning matches at the hands of Carbondale and Quincy, the Warriors ended the tournament on a high note by defeating Collinsville for the second time this season.

Collinsville, who is having one of their worst seasons ever, had problems from the very beginning of the match.

"She's playing a number of

younger players," said Warrior coach Wilma Schulte about the troubled Collinsville squad. "Her older ones weren't winning, so she's going with her younger players," Schulte said of the Kahoks' Jean Wilmore.

IN the first game, the Warriors took advantage of the inexperienced Lady Kahoks as they pulled to an early 6-1 lead. The closest the opponents could manage to get the rest of the game was four points, 10-6. After that it was all Warriors. Debbie Brandt finished off the Lady Kahoks with two ace serves.

In the second game, Collinsville managed to stay closer than in the first. After Brandt put the Warriors on top 7-3, with one of her best spikes of the day, a cross-court shot that landed just out of reach of the defender, the Lady Kahoks came back with two straight points to pull within two.

HOWEVER, the momentum quickly returned to the Warrior side as Brandt took charge at the net.

In the earlier games the Warriors had problems getting their passes to the setters, so their hitting game was almost nonexistent. In the Collinsville match, Granite City's service receive was much better, so the Warriors' hitting game also improved.

"Our biggest problem is getting that first hit up. Then when we do get the first hit, we don't execute on offense," said Coach Schulte. "We just can't receive tough serves and these schools, especially Carbondale, are tough serving teams."

THEY just so happened. They get to watch S.U. (Carbondale) play and they play USVBA after the off season. Plus they attend all the camps down there so they have full year exposure to the sport," the Granite City coach added.

The Warriors will continue their tough schedule this week as they take on conference rivals East St. Louis Senior on Tuesday and Collinsville on Wednesday. Both matches are at home and will begin at 6 p.m.

Finishing for the Warriors were Keith Bono at 16:38, Derek Drumza at 16:44, John Varadian at 16:47, Todd Isom at 16:55 and Paul Brandt at 17:24.

"I thought we could have taken second," said McClain. "I was pleased with all of the runners except Todd. His time should have been down by a lot."

Varadian, who has been leading the team, was bothered by the jitters, according to McClain. "I thought he would be down from his time at Springfield," said McClain. "But I think he had a case of nerves."

Both teams will participate in the Madison County meet Tuesday at Southern Illinois University at Edwardsville.

"The girls should win it," predicts McClain. "The boys have a shot at it, too, if they run like they're capable of. They need a victory, they need that kind of a lift."

However, because the Warriors are accustomed to tough competition, McClain admitted Saturday's victory was made somewhat easier because only three complete teams were at the meet.

"It was kind of a hollow victory," said McClain. "There just weren't that many teams."

In the boys' competition, Granite City took fourth place out of eight teams. The surprise of the day came when Charlie Porter turned in the fastest time for Granite City, 16:21.

"He improved his time by 10 seconds over the same course last year," said McClain. "He ran an excellent race, he ran real well."

Jacksonville took first place in the meet with 16 points, followed by Chatham Glenwood with 18, Springfield Lamphier with 19, Granite City with 22, Canton with 26, Jerseyville with 28, Macomb with 31 and Highland with 35.

sion of the ball after Brees came up short on a fourth and 15 play.

On a halfback option, Marshall tossed a 40-yard touchdown pass to Young with 1:05 to play. The flea-flicker sealed the victory for Madison.

The Trojan record is now 2-3 after it was determined that Assumption High School of East St. Louis must forfeit its victory over Madison. The game took place back on Sept. 15. The reason for the forfeit is that the Pioneers used an academically ineligible player when they defeated the Trojans 53-0.

Madison will shoot for the .500 mark next Saturday when it hosts Dupu. Kickoff is at 1 p.m.

## On The Gridiron Speedy Tigers use big play to stop Warriors

By ALAN L. GERSTENECKER  
Sports Editor  
of the Press-Record

GRANITE CITY — In Granite City High's non-conference football game with Edwardsville Friday, it was a game of big plays. The Warriors lived by it, and they eventually died by it.

Trailing 6-0 at halftime, the Warriors came out in the third quarter smoking. Outplayed and dominated by the Tigers in the first half, the Warriors wasted little time before seeking the big play, the big gainer.

On first and 10 at their own 4-yard line and their first play from scrimmage in the second half, Warrior quarterback Shane Cole connected with wide receiver Eric Graves for a 70-yard reception to Edwardsville's 16-yard line.

SEVEN plays later, junior fullback Mike Fenoglio plunged off-tackle into the endzone to tie the score at six. Ryan Weeks' PAT gave the Warriors their only lead of the ball game, 7-6.

Frustrated by their inability to move the ball in the first half, the Warriors were now flying high. The game pendulum swung to their side. Momentum was theirs.

But just as quickly as the momentum had switched from the Warriors to the Warriors it switched back in Edwardsville's favor.

THE ensuing Warrior kick-off was the Tigers' answer to Graves' reception — a big play of their own. Jody Rogers, the Tigers' free safety, wide receiver and kick-off return man, did what every deep man dreams of doing — returning a kick-off for a touchdown.

The Warrior side of the field, and the stands behind the team which had been buzzing with enthusiasm just moments before, had grown ruefully silent.

Just 12 seconds after the Warriors' Fenoglio put the Warriors on the board, Rogers returned the favor with an 85-yard kick-off that big plays in particular," said Tiger Coach Dick Ford after the game. "Granite City had the big play to their receiver and things seemed to be going their way. Then Jody comes

back on the very next play and returns a kick-off.

"If there was a turning point in the game, that was it. We took the momentum away from them at that point and they never got it back," Ford said.

Warrior Coach Ron Yates concurred with Ford's sentiments.

"It was the key play of the game," Yates said of Rogers' return. "You can look back over the game and say they had great outside speed, but the thing that really hurt us the most was that kick-off return."

"WE HAD trouble with their speed throughout the game," Yates said. "Rogers and the Spiller brothers (Todd and Tank) were just too quick for us."

Ironically, Rogers' return was designed to go up the middle. Ford admitted after the game. "It was designed to attack the middle of the field, go up the middle. Apparently, Jody saw some daylight to the outside and went for it," Ford said.

Apparently, the Tigers amassed 10 first downs and 277 yards in total offense. The Tigers ran 56 offensive plays to the Warriors' 50. Granite City's running game, for the most part, was non-existent. The Warriors rushed 28 times — more than twice as many as the Warriors. The Warriors rushed 28 times — more than twice as many as the Warriors.

ENROUTE to their 40 touchdowns, the Tigers amassed 10 first downs and 277 yards in total offense. The Tigers ran 56 offensive plays to the Warriors' 50.

Granite City's running game, for the most part, was non-existent. The Warriors rushed 28 times — more than twice as many as the Warriors. The Warriors rushed 28 times — more than twice as many as the Warriors.

Sure, the Warriors had the services of Graves, the speedy senior who caught five passes for 106 yards. Graves has excellent hands as he displayed Friday, but Hogan, a sophomore, made three difficult catches for 43 yards.

"JAMIE has good hands, awfully good hands," Yates said after the

game. "He has some height, but could be a little taller." Obviously distraught with the loss, Yates' praise for Hogan was all the Warrior coach was hand out Friday. He had few compliments for the rest of the squad.

"It's pretty hard to assess the game from where I'm at. I've got the worst seat in the house," Yates said. "I will say that I'm disappointed in the offensive line. I thought they had an excellent game against Collinsville, but the same wasn't true tonight."

"They say the game is won in the pits. I'd have to go along with that tonight," Yates said. We lost it at the line of scrimmage."

FOLLOWING Rogers' back-breaking return which gave the Tigers a 12-7 lead, racked up two more touchdowns to take a 25-7 lead before the Warriors managed a consolation tally.

With 3:46 remaining in the game, Cole connected with his favorite receiver, Graves, for the Warriors' second and final TD of the game. The second-and-goal-from-the-five situation adjusted the score to 25-13, the eventual final score.

The victory improved the Tigers' record to 3-2 on the season while the Warriors dipped to 1-4. Granite City has next Friday night off, but travels to Belleville Saturday for an 8 p.m. game against the Althoff Crusaders.

## In Golf Tourney Warriors get share of SWC

By JAMES BLASINGAME  
of the Press-Record

GRANITE CITY — Granite City golf coach Russ Chappell bribed his way to a share of the Southwestern Conference golf tournament championship after a hard afternoon at Arlington Golf Club.

No, Chappell didn't do anything illegal. But he did provide the incentive for Granite City golfer Dan Graff to fire an 83 and propel his team into a first-place tie with Belleville West for the conference title.

"Coach Chappell said me as I was coming off nine (the ninth hole) he needed me," said Graff, a junior. "He said if I shot under a 43 on the 9th, I'd let him have the trophy."

WHAT makes Graff's performance even more spectacular is that he is the Warriors' eighth man, and, according to Chappell, "really hasn't played that well this year."

"I think it was that bribe on 10 that did it," said a smiling Chappell. "We're happy with a tie. The kids played as good as they can play."

Granite City was led by senior Chris Carden, whose 74 was the second lowest score posted in the tournament.

Carden shot 40 on the first nine holes, but fired a two-under-par 34 on the back nine.

"I used everything I could on the front and got everything I could on the back," said Carden. "I hit the same shots, but I just didn't get any breaks on the front side. The putts fell for me on the back nine," Carden said.

IN explaining how a little good luck can make a difference in a player's score, Carden shook his head. "It's funny, you can go from bad to great."

Bill Gaumer shot a 77 for the Warriors, while Mike Sturman recorded 80 for Granite City. Combined with Graff's 83 and Carden's 74 the Warriors' team total of 314 was good for a share of first place alongside Belleville West.

Belleville East placed third with 335, and Alton finished fourth with 343. The fifth spot went to Collinsville with 367, while East St. Louis pulled in third with a team total of 406.

On Thursday the Warriors will compete in the Illinois High School Association regional hosted by Mascoutah at Scott Air Force Base.

## Undergraduates, professionals spotlighted in Lazerson's goals

President Earl Lazerson of Southern Illinois University at Edwardsville has announced his goals and priorities for the university community. His address keyed the beginning of the 1984-85 academic year.

"Speaking to the first fall meeting of the Faculty Senate, the president used the Senate's planning philosophy, approved a year ago, as the basis for his highest priorities:

"(1) The overall strengthening of the university's undergraduate program. And (2), paying proper attention at the graduate level to the needs of practitioners and working professionals in the area.

"Lazerson predicted an "auspicious" year ahead, saying "it is an opportune time for the university to be of service to this region."

"He said there is a growing awareness of the importance of the university to the region—and a high level of esteem and respect for what SIUE has been able to accomplish.

"The region faces enormous changes, and they are not just cosmetic changes," the president declared.

"A healthy, vital industrial base is needed. The university must play a vital role in helping the industry that is here and in encouraging the location of new industries."

In reference to improvements in the university's educational programs, the president said each program must be examined to determine where it can be strengthened or if it should be reduced. Simultaneously, he urged cooperative efforts with public schools to improve secondary education in this region.

Lazerson called on the Senate's Graduate Council to conduct a comprehensive examination of the university's needs in graduate education, aimed toward "excellence" and strengthening the institution's public service role.

The president listed eight basic goals for the 1984-85 year:

1. To establish an environment in which learning, scholarship and service flourish.

2. To implement a superior general education curriculum as the keystone of all undergraduate work.

3. To maintain distinguished programs in the liberal arts and sciences.

4. To provide professional programs and other services warranted by the continuing and emerging needs of this region.

5. To assist students with convenient supportive services, fee schedules, instructional formats, and calendars.

6. To increase minority participation in underrepresented academic fields.

7. To encourage scholarship, research and creative work.

8. To merit the continuing respect and support of alumni, the citizens served by the university, and the larger educational community.

Lazerson said each functional area of the university has been asked to submit specific goals to implement the basic objectives. The final document of objectives will be submitted to the constituency heads and the university's Planning and Budget Council for review and approval.

Pres. Lazerson cited efforts of his

administration to stabilize enrollments, bring costs within reason, provide reserves for maintenance and equipment modernization, and establish a firm base of credibility and respect in the community and region.

"If we have the will and the intelligence, we are now in position to move the university and the region forward," he stated.

"The planning philosophy that the Senate approved a year ago can be the engine that will drive the future of the university."

He explained that the document

sets forth the criteria, the academic needs and the economic base necessary for SIUE to meet its mission of instruction, research and public service. "It is a program for action; it deserves to be used," he asserted.

Lazerson said the planning philosophy already has had an impact through the actions of the long-range planning committee, various evaluations that have been conducted, and the preparation of goals statements and other documents aimed at implementing the program.

The president responded to a number of questions from members of the Senate, dealing primarily with graduate education, research, program priorities, student housing, and the university's role in economic development.

On the latter question, he concluded: "I am especially pleased with the progress of the Leadership Council of Southwestern Illinois."

"Labor and management in the region are now talking to one another, and a marketing program is being developed that bodes well for the economic future of the area."

### Dinner scheduled to recognize area scouts

Boy Scouting officials have announced that the Uniwah District Annual Recognition Dinner will begin at 6:30 p.m. Saturday, Oct. 20, at the Chouteau Township Hall.

The event will feature a hot buffet dinner and an awards ceremony. Cost of the dinner is \$5.

Reservations are required and must be made by Monday, Oct. 15. For ticket information or to make reservations, interested persons may write or call the Cahokia Mound Council, BSA, 2016 Delmar Ave., Granite City, Ill., 62040, telephone 876-0686.

### Honored for ad campaign

Press-Record Advertising Representative Jerry Bonfiglio has been honored in the trade magazine "Metro's Plus Business" for designing a advertising campaign for Bill Woodrome Oldsmobile.

Bonfiglio's "Woodrome for President" campaign, including nomination of the agency's service manager for vice president, all in a patriotic red, white and blue flag design in a full-page advertisement, earned the national recognition.

### Applications taken for federal posts

The Office of Personnel Management has announced that it will be accepting applications from those wishing to be considered for full or part-time clerical positions with federal agencies in Madison and St. Clair counties or in the St. Louis Metropolitan area.

In order to be considered for a permanent job with the federal government, an applicant must complete OPM Form 5000-B. This card must be postmarked or hand-carried to the St. Louis office, Oct. 10, 11 and 12. The form may be obtained from any local Illinois State Job Service employment office or by contacting the U.S. Office of Personnel Management, St. Louis Area Office, Old Post Office Building, Room 412, 815 Olive St., St. Louis, Mo. 63101 or by calling 1-314-5285 between 8 a.m. and noon, Mondays through Fridays.

### Contract awarded for liquid cationic polymer

Granite City aldermen awarded a contract last week for liquid cationic polymer for use at the sewage treatment plant. The winning bid went to Nalco Chemical Co., Chicago, Ill., for \$149,435.

The bid represents a two year supply of the polymer product. Action came after a recommendation from the sewage treatment plant committee to go with the low bidder.

### STATE HAS \$384 MILLION

Comptroller Roland W. Burris reported last week the balance in the state's general funds at the end of September was \$384 million, \$17 million higher than the first-quarter balance one year ago. But the balance at the end of fiscal 1984 on June 30 was not enough to cover lapse-period spending and fiscal 1985 revenues were needed to make up the difference. The year-end figure was \$217 million and lapse spending was \$373 million.

# Drusilla Andrews Chapter marks 60 years of continuous service

This year on Sept. 15 the Drusilla Andrews Chapter of the DAR celebrated 60 years of continuous service to the local community and the nation. A tea was held at 2 p.m. at Central Christian Church with numerous state, regional and local persons in attendance.

Special guests were Mrs. Donald Zimmerman, Illinois State Regent, and Mrs. Louis (Dorothy) Buenger, the chapter's only living charter member. Mrs. Zimmerman officially presented Mrs. Buenger with the charter member's pin which has recently been designed by the nationally known Caldwell Jewellers.

On Sept. 15, 1924, the NSDAR officially accepted the Drusilla Andrews Chapter as its newest chapter. This was the culmination of more than seven months of preliminary work by a number of ladies under the direction of Mrs. Clara Halbert Needles, the organizing regent. Fourteen women had been meeting with Mrs. Needles since Feb. 15, 1924, and working toward this goal. At their first meeting, they had elected a secretary and a registrar and one member was delegated to plan a study course on citizenship.

Meeting again on March 7, 11 of the women had been accepted by the NSDAR. had their National numbers, and the name of the chapter "Drusilla Andrews" had been accepted at National Headquarters. They elected the remaining officers and decided to take up the study of "Great People in Madison County."

DAR chapters are named for some person, event, or historical scene in the surrounding area. Drusilla Andrews was the oldest daughter of James and Elizabeth Andrews and was captured with her mother and younger sister by the Kickapoo Indians who attacked their farm in Monroe County in 1786. Her father was killed in the massacre, her mother was later shot by the Indians, and the younger sister died from exposure.

Drusilla was with the Kickapoo Indians for a year and was carried as far north as Prairie du Chien in Canada. She was sold to a French trader at Vincennes, again sold to another trader, and the third time she was sold to a French trader in Kaskaskia. Her uncle, Joseph Ogle, heard about her and purchased her from the last trader for \$30 and a yoke of oxen.

When Drusilla reached adulthood, she married Henry Mace and the couple settled north of O'Fallon. She was the ancestor of some of the women forming the chapter.

The preliminary meetings continued to be held and a committee

contacted local superintendents asking that the study of Illinois history be incorporated into the schools' course of study.

On Sept. 15, 1924, 12 ladies, meeting at the Granite City library, signed the charter petition to establish the chapter. Listed as the charter members were Clara H. Needles, Dorothy Buenger, Sophia Prather, Fannie S. Humphrey, Ruth Wilderman, Martha C. Coudy, Harriet Boggs, Martha A. Coudy, Mary Connole, Georgia M. Dyer, Adella S. Champion, and Helen A. Coolidge.

Within the following 18 months, four additional women had proved their ancestry and were actively participating in the organization's work. They were Teresa P. Spring, Daisy C. Biel, Anna Wilcox and Jennie Wilcox.

The early minutes revealed that in February, 1925, only six months after being chartered, the group sponsored an essay contest for the DAR History Medal. High school students were to write on the topic of "Immigration Problems" and the eighth grade Washington Birthday was to be observed by the group.

Even then, most students did not like essay contests. The only entrants were from Central School in Granite City and Harris School in Madison.

Luncheon meetings were held in the members' homes and to accomplish two purposes for the hostesses to know the number planning to attend and to build up the chapter's treasury - members were fined 25 cents for failing to notify the hostess of non-attendance. This was a large fine 60 years ago.

Mite boxes were passed at meetings in 1927 and members were encouraged, when convenient, to put in pennies to be sent to Washington, D. C. for the general upkeep of the National Headquarters buildings.

Even in 1928 the themes in motion pictures were of deep concern to the members. That year the typewriting department of the high school prepared the chapter's yearbooks, and the first Washington Birthday Banquet was held at the YMCA on Feb. 21, 1928, with husbands and friends as guests.

The Lincoln Place Community House was established by the Commonwealth Steel Co. in 1917 to serve as a social and educational center for the foreign-speaking people in Granite City and other residents.

Miss Sophia Prather, one of the charter members of the chapter and a pioneer teacher in Granite City until she resigned to do social work, was in charge of the center.

(Prather School in West Granite is named after her.) Knowing that the DAR had three main aims in their service - historical, educational

and patriotic - Miss Prather freely, quietly brought her problems to the DAR for solutions.

In 1929, the chapter gave Miss Prather \$4.40 to be used for educational expenses for Lincoln Place high school girls. The minutes from these years frequently note that monetary donations were given so that the girls could remain in school.

In 1932, Miss Prather asked for a donation of \$5 to buy materials for dressmaking at the Community House. The chapter paid \$3 in 1933 for a girl's May Day dress. Also in 1933, material for 17 dresses and a box of hose was furnished to school children at the Community House.

During these years, money was scarce, and members really watched their pennies. Materials for the 1931 yearbooks cost \$1.50, and the group debated for several months before paying \$6.94 for wool materials so that 82-year-old member Mrs. Della Coon Randle could make the chapter's own large flag. They decided to forego a Christmas party in 1931 and bought food and toys for the needy in Granite City.

In 1933, the chapter purchased a bronze marker costing \$5 for the grave of Drusilla Andrews Mace. On May of that year a pilgrimage was made to the grave site in the Mace Cemetery, which is now a part of the O'Fallon, Illinois City Cemetery. The Illinois State Regent, as well as 32 descendants of Drusilla, were present for the ceremony. Mrs. Needles, one of her descendants, gave the talk on her life.

In September 1934, the chapter celebrated its 10th birthday, and Miss Dorothy Lou Buenger, the great-great-granddaughter of Drusilla Andrews, presented to cut the cake.

Over an eight-year span of time - from 1928 through 1936 - the organization paid particular attention to the needs of immigrants. The minutes make note that in March, 1928, a box of materials was sent to Ellis Island, and at one of the meetings, an Ellis Island Night was featured. Members brought gifts to be sent to the immigrants on the island.

In 1929, they were buying yarn to be sent to the island and pro-rating the cost among members. In 1932, donations to Ellis Island were discontinued, and members even reduced their own chapter dues. By the time 1934 arrived, they were again sending boxes of yarn to the island, and in 1936, they bought shirting, khaki and chambray cloth to send to Ellis Island.

Minutes of some of the meetings in 1936 indicate a lengthy discussion on the cost of printing the chapter's yearbooks and finally agreed to pay

the \$6. The members were preparing quilt blocks, and the material cost \$1.25.

In 1935, the group voted to sponsor a Girl Scout troop.

As members died, the local chapter marked the graves and conducted brief ceremonies. This has been a constant practice through the years, but, now, because of vandals removing the bronze markers from the graves, many families approve a donation to a DAR project being named in the deceased member's name.

In April, 1938, a marker was placed at the grave of Mrs. Clara Halbert Needles, the chapter's organizing regent, in Greenmount Cemetery in Belleville. Several chapters paid homage to Mrs. Needles as she was widely known for her extensive DAR work.

In October of the same year, a marker was placed on the grave of Miss Sophia Prather in Carlyle. A former pupil, Miss Anna Sobolewski, placed a floral offering on the grave and paid tribute to the many years of service devoted by Miss Prather to the foreign-speaking persons in Lincoln Place.

Through the minutes, it is noted that the members did a lot of research on a myriad of topics for their monthly programs. Most of the programs featured five or six members presenting papers. With the size of the membership, this meant that each member was a participant on four or five programs each year. Papers researched by the group and presented as programs were sent to the State Lending and Filing Bureau so that others could use the information. This filing process started in 1936.

Also in 1936, the chapter started selling gingerbread mix to earn money for projects and averaged sales of two cases a month in 1938.

In 1938, the chapter was paying the postage to send pencil stubs donated by Granite City Steel to the DAR schools. For a number of years, toys were collected and sent to the Caney Creek Community Center at Pippa Pass, Ky. for Christmas gifts for mountain boys and girls. At this time, the chapter sent 26 pounds of toys that were mailed was \$1.10.

The Good Citizen Awards for high school seniors was started in 1937. For a number of years, both boys and girls were honored. The 1943 minutes mention that the price of the Good Citizen pins had risen to \$1.20 each, and the chapter decided to present certificates only because of the cost of the pins. Later, national regulation specified that the honorees should be senior girls. Now, the Good Citizen may be either a boy or a girl.

In March, 1940, Drusilla Andrews, Cahokia Mound, and Belleville Chapters co-hosted the State DAR Conference in East St. Louis.

The war years of 1941-1944 found the chapter very much involved as were most other organizations. Among the names frequently mentioned as actively working were Lizzell Tate, Pauly Danforth, Wilcox, Hart, Conole, Boye, Groshong, Biel, Coulter, Griggsby and Buenger. They made the filled Buddy Bags which were sent to the reception center at Scott Field. Donations were given to the Gideon Society to buy Testaments for Red Cross nurses in the local war camps and in foreign lands. Good Citizen booklets were distributed in the three local towns and to members of a local naturalization class. Donations were made to the NSDAR to support the blood plasma program, the purchase of trucks, station wagons, sedans and mobile canteen units. Metal detectors were purchased for Army and Navy doctors to use on wounded men. These programs were all halted by the government in September, 1944. In one year, Drusilla Andrews members contributed 1329 hours of service to the Red Cross and the USO.

In 1947, Mrs. Dorothy Buenger provided funds for the Drusilla Andrews Chapter name to be placed on the Illinois State plaque in the Memorial Bell Tower at Valley Forge. This was in memory of her mother, Mrs. Needles. Later, members contributed a per capita donation to apply on the cost of a stained glass window.

The 25th anniversary of the chapter was celebrated on Sept. 13, 1949, and four direct descendants of Drusilla Andrews were present. They were Mrs. Alice Mace Nowland of Belleville, Mrs. Dorothy Buenger, Miss Dorothy Lou Buenger, and Miss Nellie Hart. Many other guests were present including DAR members from the Belleville and Cahokia Mound Chapters.

In 1950, the ladies were still collecting and sending toys to Caney Creek children. They also shared the sponsorship of a Pawnee Indian student at the Memorial Hospital in Tulsa, Okla. The chapter is still sending donations to the Indian college, one in Oklahoma and to St. Mary's Indian School in North Dakota.

In 1953, the group finished quilts and sent them to the DAR schools. For their 30th anniversary in 1954, a memorial advertisement was placed in the National DAR magazine in memory of Mrs. Needles, the organizing regent. Also in 1954, honor roll became a very important factor in all chapters. Various criteria were established that chapters had to meet in order to reach gold honor roll, silver honor roll or honorable mention.

Subscriptions to the DAR Magazine were sent to the three public libraries in 1955 and later, to the high school libraries. Some of these subscriptions are still being donated.

Mrs. Buenger was the only chapter member to present for the 50th anniversary, for Mrs. Mary Canole of Madison, had died only two months before the celebration. A 50-year certificate was presented to Mrs. Buenger for her service to the organization. Tribute was also paid to Mrs. Buenger and Miss Nellie Hart, both descendants of Drusilla Andrews.

The chapter sponsored a mini-workshop on genealogy which attracted 44 persons. In April, 1975 and in April, 1985, the chapter will again present a genealogy workshop with details to be announced later. Presentors then, and next spring, will be members from the St. Louis Genealogy Society. They will present materials designed for persons who have already been working on their genealogy and may be "stuck" right now.

Chaplain Eva Meier presented a brief memorial service for a Drusilla Andrews member in March, 1975. Newer chapter members were not aware that Margaret Bucher had been a WAC during World War II and had served in North Africa, Germany and Italy. She worked for the Veterans Administration after the war before returning to the local area. Her sister, Adeline, another Chapter member who died in 1969, was the secretary to the authoress Pearl Buck in China, New York and wherever the travels of Miss Buck took them.

In addition to being the nation's Centennial year, 1976 was a busy year for the DAR chapter. Third and fourth graders of Emerson Grade School prepared a Centennial quilt, and they won first place in the State JAC (Junior American Citizens) Club competition. The quilt was sent to competition at the national level and won second place and a cash award.

Also at state conference last year, chapter member Mrs. Ralph (Janet) Wilson was chosen as the Illinois Outstanding Junior Member. Throughout the 60 years of Drusilla Andrews Chapter history, various members have attended the Continental Congresses in Washington, D. C. as chapter representatives, and in 1976, six members attended.

In September of '76, Drusilla Andrews hosted one of the four state DAR meetings at the Round Table in Collinsville. The territory served was from Granite to the Indiana line and to the southern tip of the state.

From 1977 on, the minutes reveal, the chapter has been receiving the National tri-color ribbon for excellent yearbooks as well as the blue ribbon from the state organization. It has also received several gold or silver honor roll awards for meeting national standards involving programs, community service, chapter contributions, etc.

In 1979, Mrs. Janet Wilson was appointed senior organizing president for the newly forming Six Mile Prairie Chapter of the C.A.R. (Children of the American Revolution). Drusilla Andrews was one of the sponsoring chapters for this organization.

For approximately the last 10 years, some chapter members have participated in the annual state conference as pages. Pages, who dress in white clothing at all times and are strictly governed by protocol, are the "legs" of the conference. For several years, Mrs. Wilson served as state page chairman. During the last conference, Mrs. Needles, Mrs. Brian (Sandra) Wilkinson, served as a page and as the chapter's delegate. In addition, Mrs. Wilkinson page in July at a tea held in the governor's mansion in Springfield which honored the new state DAR officers.

In October of this year, Drusilla Andrews will be the hostess chapter for Division VI, comprised of 19 chapters, as it meets in Alton. On Feb. 14, 1985, DAR chapters all over the world will participate in a special Liberty Love Day celebration, which will collect funds for the restoration of the Statue of Liberty.

The 100th birthday of the founding of the DAR, to be called the Centennial Jubilee, is being planned. Stages this year since this celebration will be during the 1990-1991 year. Currently serving as officers are Mrs. Wilkinson, president; Mrs. Barbara Williams, vice regent; Miss Ella Ray Smith, registrar; Miss Eva Buenger, chaplain; Margaret Biel, assistant chaplain; Mrs. Florence Simpson, treasurer; Mrs. Linda Koenig, secretary; and Miss Mildred McCormick, historian-librarian.

## New book by Old Six Mile

The Old Six Mile Historical Society plans to publish this fall its second book, "History of the Old Six Mile Area - Clippings and Chattering - Volume I."

The group previously issued "What's Good in the Old Six Mile Area - Clippings and Chattering - Volume II."

The historical society also has been aided financially by two books by Mrs. Georgia Engelke, "Old Six Mile" and "The Great American Bottom." Rising from the bottom of the bluffs and the present Mississippi River forms much of Madison and St. Clair counties, and mile markers once were the location of early buildings, extending eastward from the river along the old "American Way" road.

Mrs. Engelke continues to spearhead Old Six Mile activities, and Miss Marguerite Barker was the chief coordinator of the "new" historical book, which will sell for \$12.50.

Proceeds from such ventures are being used to finance the establishment of a local history museum in the former Zippel family home at Emert Avenue and Maryville Road on what was the Emert farm in the middle of the previous century.

Miss Barker's compilation includes schools, floods, early residents, businesses, two other churches, parks, bridges and many other topics.

## Amends bill on sr. citizen appointees

Legislation that requires persons 60 and older to be named to 24 boards and commissions has been amended by Gov. James R. Thompson.

House Bill 2559 increases the size of 22 boards by one member and requires that a person 60 or older be named to those panels. It also requires that two other boards remain the same size but include senior citizen representation.

The governor did not have the bill in office when he named someone 60 or over to all but two of the boards. On the other two boards, there is at least one person age 65 or over serving under a Thompson appointment.

"Since I have already done what 'tis bill would require to be done, I would ordinarily veto it. But perhaps the General Assembly does not trust my eventual successors, or perhaps those who pushed this see political advantage in pretending that senior representation does not now exist in good measure," Thompson said.

"Legislators did not have the gumption to say 'no' to a bad bill for fear of offending senior citizens," he said, adding that if he vetoed it, the bill would have been enacted over his veto.

The governor wrote technical changes to make the 24 panels odd-numbered in size, a step to prevent tie votes. The measure returns to the legislature for consideration.

### Hangleben-Townzen

Miss Wendy E. Townzen, daughter of Mrs. Sandra F. Townzen, 1924 Fourth St., Madison, and Michael N. Hangleben, son of Norman Hangleben, 301 Dartmouth Drive, O'Fallon, were united in marriage on Aug. 24 at St. John Lutheran Church.

The Rev. Samuel Boda officiated at the 7:30 p.m. double ring ceremony before an altar illuminated with burning tapers and decorated with ferns and floral bouquets in pink, burgundy and white hues. The bride was escorted to the altar and given in marriage by her mother.

Organist Patricia Dineff played a program of selected wedding music including "The Lord's Prayer."

Attending the bride as honor atten-

dant was Gail Goff and the groom chose Steve Donovan as best man.

Seated the guests were Jeff Hangleben, a brother of the groom, and Glenn Hart, the bride's cousin. A buffet dinner and reception was hosted immediately following the ceremony at the American Legion Hall, 1825 State St.

The bride graduated in 1983 from Granite City High School South. A 1980 graduate of O'Fallon Township High School, the groom is presently employed by Hangleben Construction Co.

Mary Grace, a cousin of the bride, presided over the guest book and registered guests including those from St. Louis, Belleville, O'Fallon, Bosworth, Md., Collinsville, Benli, and Shilo.

Mr. and Mrs. Richard Bywater

### GC couple visits Niagara Falls

Mr. and Mrs. Richard F. (JoMarie) Bywater of Granite City, have returned from a second honeymoon and vacation at Niagara Falls, N.Y., Boston, Mass., Atlantic City, N.J. and Washington D.C.

Prior to the trip, Mr. and Mrs. Bywater were guests of honor at a surprise party given by their children at Wilson Park to celebrate their silver wedding anniversary.

Hosting the event were Mr. and Mrs. Bill (Pam) Bywater, Mr. and Mrs. James (Kelly) Valerio, Mr. and Mrs. David (Jamie) Taylor, and Blake Bywater.

Guests attending included family and friends from the Quad-City area and St. Louis.

The honorees renewed their wedding vows at another surprise party at the home of Mr. and Mrs. Mike Held. The Rev. James Burnett, pastor of City Temple Assembly of God Church, officiated at the ceremony.

Mr. and Mrs. Bywater were married at Trinity Methodist Church in 1959.

They also have four grandchildren.

**MADISON BUSINESS EVENT**  
The Madison Business Association will conduct its regular meeting at 8 a.m. Thursday, Oct. 11, at the Madison Recreation Center. A spokesman said this will be an important meeting for all Madison businessmen.

## Besserman-Belongia

The wedding of Miss Rachel Lynn Belongia, daughter of Linda Vitale, 2047 Lee Ave., and Private First Class Terry Steven Besserman, U.S. Army, son of Mr. and Mrs. Edward Besserman, 2041 Maryville Road, was solemnized on June 9 at 2 p.m. at St. Margaret Mary Catholic Church.

Officiating at the service was the Rev. Francis Tebangura and nuptial music was furnished by Organist Ricky Tucker and Sheila Moutria. Selections included Colour My World, Sunrise, Sunset, Wedding March, II, Wedding Song, Cherish, Or This Day Oh Beautiful Mother.

A reception was hosted at the Moose Lodge and after a wedding trip to the Lake of the Ozarks, the newlywed couple is now residing in Colorado Springs, Colo.

The bride was escorted to the altar and given in marriage by her uncle, Charles Fields.

Attending the bride as maid of honor was Lisa Gramlich and the best man was Mark Sanchez, brother-in-law of the groom.

Bridesmaids included Angela DeMaris and Bridget Gibson, a cousin of the bride, and the flower girl was Angela Sanchez, the groom's niece.

Matthew Belovich, Craig Billner, the groom's brother in law, Elwood Besserman, an uncle of the groom, and Burt Fields, a cousin of the bride, served as groomsmen and

Pfc. and Mrs. Terry Besserman

ushers. Both young people graduated from Granite City High School. The bride was active in music and as a cheerleader while attending high school. The groom was involved in the school soccer program and is now serving with the U.S. Army.

Mr. and Mrs. John Gadwell

### Mr. and Mrs. John Gadwell celebrate 50th anniversary

Former Quad-City residents, Mr. and Mrs. John Gadwell who now live in Mountain Home, Ark., were guests of honor at a dinner party given at Charlie's Restaurant, in observance of their golden wedding anniversary.

The dinner was attended by family members and the later an open house and buffet dinner was hosted in the home of the honorees' son-in-law and daughter, Mr. and Mrs. William (Barbara) Buster, 2581 Spalding Ave.

Also hosting the social event were the guests of honor's two other daughters, Mrs. Beverly Page, Cleveland, Ohio and Mrs. Mel

(Connie) Campbell, Studio City, Calif.

Mr. Gadwell, formerly of East St. Louis, and his wife, the former Lorene Burner of Carmi, Ill., were married on Sept. 9, 1934 at St. Mark Catholic Church in Venice. He worked as a carpenter for 30 years and retired 10 years ago.

Both are members of St. Peter's Church in Mountain Home. They resided in this area until four years ago when they moved to their present address.

The couple also has three grandchildren.

Among the out of town guests, were Mr. and Mrs. Mel Campbell, Studio City, Calif., Mrs. Beverly Page, Cleveland, Ohio, Mr. and Mrs. Terry Buster, San Diego, Calif., Mrs. Helen Cholewick, Mountain Home, Ark., Mr. and Mrs. Earl Crisel and Mr. and Mrs. Jerry Crisel of Albion, Ill.

### Career Day slated for Madison students

Madison Senior High School will conduct its 30th consecutive Career Day on Thursday, Oct. 18, from noon to 2:30 p.m.

Officials have invited 81 companies, industries, trade schools, colleges, businesses, armed services and health-care facilities to send representatives to meet with junior and senior level students.

Vocational Coordinator Lee Ashby is using high school students in the office education classes to perform the secretarial work, while home-economics teacher Lois Robinson is supervising her foods class in preparing and serving refreshments.

Regional Superintendent Harold Briggs has accepted an invitation to attend the event.

## Engagements

Dr. David Hamilos and Becky Essmann

### Essmann-Hamilos

The engagement of Miss Becky Jo Essmann and Dr. David T. Hamilos of Waterloo, Iowa, formerly of Granite City, is being announced by the bride-elect's parents, Mr. and Mrs. Kenneth Essmann of Waterloo. Parents of the prospective groom, Mr. and Mrs. Chris Hamilos, reside at 2322 Waterman Ave.

Miss Essmann is employed as a registered nurse at St. Francis Hospital in Waterloo.

Her fiancé was graduated from Granite City High School North in 1975 and from Illinois State University, Normal, in 1983. He also graduated in 1983 from the School of Podiatric Medicine in Chicago and in January will continue his residency training in Johnson, Tenn.

The betrothed couple plan to be married on Oct. 27 at the First Lutheran Church in Waterloo.

### AARP 3577 to hear state director

Mrs. Ruth Toomey, assistant state director of the American Association of Retired Persons, will be the guest speaker at a meeting of the Quad City Daytime AARP, Chapter 3577, at 11 a.m. on Oct. 24. Her topic will be on the cost of health care.

President Virgil Worley announced the program at a meeting conducted in Anchorage Recreation Center, last week. He led all in the opening prayer and pledge to the flag.

Mrs. Edith Worley read the minutes of the previous meeting and Mrs. Leona Spickett gave the financial report. Alderman Casimir Skubish presented a legislative report.

New members are invited to attend, the president noted. Refreshments were served to 16 members and guests, during the social hour.

### Elkettes plan yule program

A discussion on forthcoming arrangements for a Christmas party and diamond ring project, was the highlight of the Elkettes Club meeting, Tuesday night, in the Rathskeller of the Elks Lodge.

Mrs. Mary Niescur, president, conducted the session with the opening and closing prayer offered by Mrs. Marian Mertz.

Mrs. Joyce Curran will serve as chairman of the yule affair, the president noted. After the meeting refreshments were served, to 30 members, by Vicki Mertz, Elsie Rodell, Alice Rodell and Marian Mertz at tables decorated with an autumn motif.

Games were played during the social hour and prizes were awarded to Esther Williams, Ruth Geroff, Marge Hiler, Joyce Curran, Elsie Rodell, Vicki Mertz, Teresa Harding, Mary Niescur, Bess Weiss, Esther Vasiloff, Margaret Rush and Marian Mertz.

Cindy Cox and Jim Wyrstek

### Cox-Wyrstek

The engagement and plans for the forthcoming wedding of Miss Cindy Cox, daughter of Mrs. Marcella Eastep, 2209 Miracle Ave., and Buford Cox of Ohio, and Jim Wyrstek is being announced by her parents.

Parents of the groom-elect are Mr. and Mrs. Tom (Sue) Wyrstek, 11 Frontenac Lane.

Plans for a Jan. 5 wedding are be-

ing completed by the betrothed couple. Miss Cox graduated from Granite City High School South in 1982 and from Missouri School for Doctor's Assistants. She is employed as a dental assistant for Dr. Kent Splaingard.

He fiancé was graduated in 1982 from Granite City High School North and is attending Granite City Center. He also is working as a sales representative for Bob Brockland Pontiac. He will enroll at Peru State University in Nebraska in January.

### DUV Tent 92 opens fall meeting session

Aunt Becky Young, Tent 92, of the Daughters of Union Veterans, resumed its fall meeting schedule with a luncheon and business meeting at Ervay's Restaurant, last week.

President Bessie Seibold conducted the business segment with the opening prayer offered by Chaplain Maud Lewis. All members repeated the Pledge of Allegiance.

The secretary's report was read by Junior Vice President Joyce Moran in the absence of Mrs. Irma Taylor and the treasurer's statement was given by Louise Thompson.

Members agreed to send a donation to the United Way and get well cards were sent to Mrs. Taylor and Jeanette Kraus.

The president noted the next meeting will be held on Oct. 25 at Ervay's with Mrs. Thompson serving as hostess.

After the session closed games were directed by Mrs. Seibold, hostess for the month, who awarded the special prize to Mrs. Letha Gilchoff.

Others present were, Enid Bolin, Arlene Fox, Verna Michel, Vivian Rowden and Peggy Gibbons.

### FRIENDS OF VENICE MAYOR TO MEET MONDAY

Friends of Venice Mayor Tyrone Echols, who are planning an appreciation dinner in his honor, will meet at 7:30 p.m. today at the new Venice Senior Citizens' Center, Klein and Brown streets, Venice.

All Venice residents interested in helping with the project are being invited to attend, according to the Rev. John Henry Williams, organizer, and Charles Collins, chairman.

**WHY IS LINCOLN SMILING?** David Huntley, director of university museums at Southern Illinois University at Edwardsville, tells members of the St. Louis Stephen Senior Citizens Club about the portrait of a smiling Abraham Lincoln, by Alban Jasper Johns. The painting is on display in the foyer of the Lovejoy Library at the university. Although the painting was not officially commissioned by the Lincolns, Johns was persuasive enough to get the

great emancipator to pose in 1860, before he was to lead the nation through its most terrible agony. Later, Mary Todd Lincoln was to describe it as her favorite, because it showed Lincoln in a congenial moment surrounded by friends. The club members were on the SIUE campus for a tour and slide show about the university, arranged through the University Information Center, which is available to provide tours for visiting groups. ### Granite City Center

THE MOVIE "EASY MONEY" will be shown Wednesday, Oct. 10, at Belleville Area College's Granite City Center. The movie will be shown at 5:30 p.m. in the cafeteria at the center, 4950 Maryville Road. Admission is free. The movie is rated R.

### SIU at Edwardsville

"FAMILY LAW - WHAT YOU NEED TO KNOW" will be presented Wednesday, Oct. 10, at Southern Illinois University at Edwardsville. The workshop is scheduled in the Dogwood Room of the University Center from 1:30 to 3 p.m.

Barb Joiner, attorney for Student Legal Services, will conduct the session and focus on divorce, child support, adoption, child custody and property rights. Time will be allotted for questions from the audience. The workshop is free of charge and open to SIUE students, faculty and staff and the general public. For reservation information, interested persons may call the Student Activities Office at 1-692-2686.

### Belleville Area College

BELLEVILLE AREA COLLEGE can help students find a way to pay for their education. Students who are humanities majors, may want to apply for the National Endowment for the Humanities 1985 Younger Scholars Program. Applicants must be majoring in a humanities discipline and be sponsored by a faculty member. The application deadline is Monday, Oct. 15. For information or application forms for this and other scholarships available at BAC, students may contact the Financial Aid and Placement Office, 1-235-2700.

COMEDIAN PAUL PROVENZA will perform at Belleville Area College, Tuesday, Oct. 9. He will perform from 11:15 a.m. to 12:45 p.m. in the first floor lounge outside the cafeteria. Provenza, a native of New York, recently completed a nationwide tour opening for Diana Ross and has appeared on the Tonight Show as well as other TV programs. The show is free and open to the public.

## New book dedicated to SIUE professor

A biographical and critical study of the Southern novelist, William March (1893-1954), by British scholar Roy S. Simmonds, is dedicated to three Americans. William T. Going, emeritus professor of English language and literature and former dean of Academic Affairs at Southern Illinois University at Edwardsville, is one of them.

In his preface of the book, "The Two Worlds of William March," Simmonds calls Going "the most distinguished and knowledgeable of

all March scholars ... generously providing me with information ... and reading and commenting on the first draft of the book."

THE 365-PAGE study, just published by the University of Alabama Press, deals with March's 70 short stories and six novels. It also investigates the author's business career under the name of William E. Campbell as vice president of the Waterman Steamship Line. He was also a connoisseur of modern French art.

The biographical and critical

study notes that March's best known novels are "Company K," a realistic World War I story; "The Looking Glass," an account of egocentricity in a small Southern town; and "The Bad Seed," a psychological tale of innate evil.

Roy S. Simmonds, a native of Essex, England, is a recognized authority on John Steinbeck. He is presently completing a life of Edward J. O'Brien, arbiter of "Best Short Stories," an annual publication during the years between the

two world wars.

THE DEDICATION also includes two other Americans: Preston C. Beyer, a New York book dealer, and Clinton Bolton, a New Orleans journalist and friend of March.

Professor Going is the editor of March's posthumous "99 Fables," he has also written numerous essays on March's life and works. In 1977 at the request of Alvin Sullivan, editor of "Papers on Language and Literature" published at SIUE, Going produced an extensive study on March, concluding, "The greatest need now is for a full-length study of William March that can marshal the facts of his life as a background for the fiction he created."

Simmonds' new work responds to Going's call. It confirms the opinion of Alister Cooke that March is "the most underrated of all contemporary American writers of fiction" during the period between the world wars.

unattractive and not sufficiently deferential to men. She sued Metromedia, Inc. in Federal District Court in Kansas City. In August 1983, a jury of six people found Metromedia guilty of sex discrimination and fraud. The legal squabble continues.

During her presentation at SIUE, the lecturer will discuss "Television News and Show Business."

ADDITIONAL information may be obtained by contacting the SIUE Student Program Board at 1-692-2617.

## Christine Craft to lecture at SIUE

Christine Craft will lecture at Southern Illinois University at Edwardsville, Oct. 9.

Sponsored by the campus chapter of the Society of Professional Journalists, Sigma Delta Chi and the Student Program Board, her presentation is scheduled in Meridian Ballroom in the University Center at 8 p.m.

TICKETS ARE \$2.50 for SIUE students with identification and \$3.50 for the general public.

Christine Craft accepted her first

position with the mass media at television news station in 1972. Her duties included a wide variety of positions, including weather person, camera person, editor and relief sportscaster.

From that position, we went to work with major television affiliates in San Francisco and New York. In 1980, she accepted a position as co-anchor at KMCB-TV (Metromedia, Inc. - ABC) in Kansas City.

According to the lecturer, she was demoted the following year and was told she was "too old, too

## BAC hosts annual talent show

Persons who sing, dance, play an instrument, act, do mime or have any other performing talent, will want to try for the \$100 first prize in Belleville Area College's annual talent show.

Tryouts for the show will be Wednesday and Thursday, Oct. 10 and 11. They will be from 4:30 to 6:30 p.m. Wednesday and from 5 to 7:30 p.m. Thursday in the theater.

PERSONS MAY pick up applica-

tions in the Student Activities Office, room 3280.

The talent show will be at 7 p.m. Saturday, Oct. 20, in the theater. The show is free and open to the public. The first-place winner in the show will receive \$100, second place, \$50, and third place, \$25.

For more information, interested persons may contact the Student Activities Office, 1-235-2700, extension 205.

## Local florist to teach fall class

Florist Ellis Herring will share 25 years of experience in flower arranging when he teaches a class this fall for the Granite City Center of Belleville Area College.

Herring will teach GCC students basic design principles that make creative flower arranging easier.

THE NON-CREDIT class will meet from 6:30 to 8:45 p.m. Tuesdays and Thursdays for eight weeks beginning Tuesday, Oct. 9.

Class will take place at Herring's shop, Herring Factory of Flowers and Craftory, 2700 Madison Ave.

A maximum of 12 students will be accepted into the class on a first-come, first-served basis, beginning now and continuing through the first night of class.

The cost for the class is \$25. Supplies are additional. To enroll and for information, students may call 931-0600.

## Seminar to discuss law firm management

The Center for Management Studies at Southern Illinois University at Edwardsville will offer a seminar Oct. 12 and 13 in the St. Louis area on managing the small law firm.

The seminar is scheduled at the Henry VIII Inn and Lodge, located at 4600 North Lindbergh Blvd. Sessions will meet from 9 a.m. until 4:30

p.m. on Oct. 12 and from 9 a.m. until noon on Oct. 13.

COURSEWORK WILL include developing an image in the community, competing with legal clinics and advertisers, increasing profits, originating partnership agreements, managing time, reducing overhead and using legal assistants or paraprofessionals.

## Mothers' Association to meet at U of I

The 16th annual fall conference for the Mothers' Association at the University of Illinois at Urbana-Champaign is scheduled for Friday and Saturday, Oct. 12 and 13, at the Illini Union in Urbana.

This program, open to all interested mothers and county chairwomen, provides the opportunity to learn more about the university and the Mothers' Association and to meet other Illini mothers, faculty and staff.

The theme for the 1984 conference is "Campaign '84: You and I for the U of I." Highlights of the two-day program include a program and tour of the university library, the third largest collegiate library in the nation, entertainment by various student groups and guest speakers from the university. Workshops designed to prepare mothers to help other Illini parents in their local communities are planned for Saturday morning.

Reservations are required and interested mothers may contact Cathy Busch at 877-6425 for further information, or call the Mothers' Association Office at 1-217-333-7060.

## Food service class scheduled at SIUE

Southern Illinois University at Edwardsville will offer classes during the fall quarter that will prepare individuals for food service sanitation certification.

William Crabb, director of University Food Service, and Deanna Hammon will instruct the course. Classes for the non-credit course will meet Mondays from 7 until 9 p.m. in the University Center, beginning tonight and extending through Nov. 28.

REGISTRATION FOR the course is \$50. Preregistration is necessary and can be accomplished by contacting the SIUE Office of Continuing Education at 1-692-3210.

Coursework will include lectures, demonstrations, films and other visual aids necessary to prepare for the state food service certification examination, Crabb said.

## EIU celebrates homecoming

Football and art, a parade, receptions and class reunions will be among highlights of Eastern Illinois University's homecoming on Saturday, Oct. 13.

Reunions are for the classes of 1934 (golden anniversary), 1944, 1954, 1959 (silver anniversary), 1964 and 1974. Luncheons for these class members will be held in the Grand Ballroom of the Martin Luther King Jr. University Union.

AT A SPECIAL ceremony following the luncheon, five persons will receive Eastern's highest honor, the Distinguished Alumni Award. They are: Dr. Eugene Aikman, '54; Dr. Alden Cutshall, '32; Dr. Ronald W. Davis, '64; John L. Heath, '58, and Dr. Elizabeth Portocarrica Hickman, '43.

Departmental coffee hours will be in the Tarble Arts Center, departmental areas, and the West

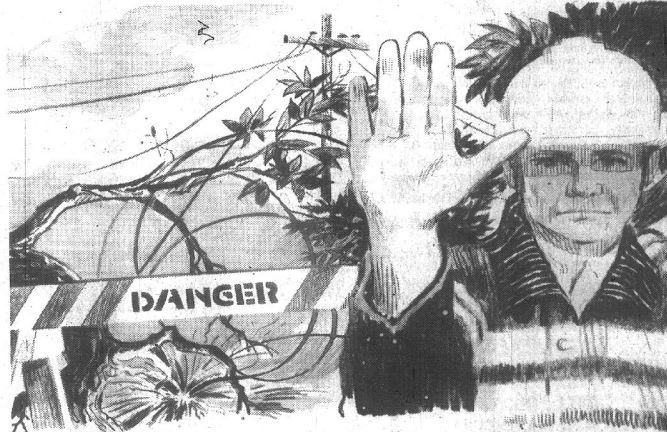

Ballroom of the union.

An "early bird reception" is scheduled for Friday, Oct. 12, from 1 to 4 p.m. in the 1885 Room of the union.

ALSO SCHEDULED for Friday is a square dance at 7:30 p.m. in McAtee Gym and the play, "The Diary of Anne Frank," at 8 p.m. in the Fine Arts Theatre.

The parade will begin on Lincoln Avenue near Morton Park at 10 a.m. on Saturday and proceed around the square. On exhibit in the Tarble Arts Center will be medical illustrations by a pioneer in that field, Dr. Frank Netter. Also scheduled is a showing of Paul Sargent paintings from private collections.

Kickoff time for the football game with Southern Illinois University is 1:30 p.m. in O'Brien Field. The play will be shown at 9 p.m. on Saturday and at 2 p.m. on Sunday, Oct. 14.

## AN ELECTRIC LINE DOWN MEANS DANGER!

No matter how strongly we build them, power lines can be brought down in heavy storms when tree limbs snap and crash through the lines.

DON'T go near the wire.

DON'T touch anything that the wire is touching, such as a fence, automobile, tree or bush.

DON'T try to jump over the wire. This is no time for athletics.

DO report the fallen wire at once.

DO warn anyone else in the area to stay clear of the fallen wires.

DO get small children to their homes or someplace where they're out of danger!

Please remember—a power line on the ground spells DANGER! In emergencies like this, Illinois Power crews work around the clock to restore service as fast as possible. Until they can take care of the trouble, you take care of yourself. Keep clear. Report the emergency immediately.

**C.U. NO. 9—GRANITE CITY SCHOOL DISTRICT TAX RATE PROPOSITION**

Shall the present maximum annual tax rate for educational purposes, of 2.95% upon the full fair cash value of taxable property of Community Unit School District Number Nine, Madison County, Illinois, as equalized or assessed by the Department of Revenue, be increased to an annual maximum of 2.95% on such taxable property?	Yes
	No

It is estimated that the approximate amount of taxes extendible under the maximum rate of 2.55% now in force in said School District No. 9, for educational purposes is \$6,364,219.00 and the approximate amount of taxes extendible for educational purposes under the proposed increased rate would be \$7,362,328.00, such amounts being computed upon the full fair cash value of taxable property for the year 1983, being the last known value.

The polls of said General Election shall be opened continuously from 6:00 A.M. until 7:00 P.M. on Tuesday, November 6, 1984.

## You Bet Your Life

In the 1950s the ONE and ONLY GROUCHO MARX and HIS COMEDY-QUIZ YOU BET YOUR LIFE WERE MOST POPULAR ON THE TV SCREEN. THE HIT SHOW FEATURED A TOY STUFFED DUCK, A SECRET WORD, SOME WACKY CONTESTANTS, AND ENDLESS AD-LIBING BY THE CIGAR-CHOMPING GROUCHO. FOR 15 YEARS GEORGE FENNEMAN WAS THE SHOW'S ANNOUNCER WHO ROLLED WITH GROUCHO'S VERBAL PUNCHES.
